

**What does qualified to assess mean?**

The assessment principles agreed between Skills for Care and Development and the Awarding Organisations for the suite of H&SC qualifications state that, in addition to occupational competence/knowledge, assessors for Framework units must hold a suitable qualification. (Please see Skills for Care and Development and Skills for Health Framework Assessment Principles for definitions)

**What qualifications are acceptable?**

*For competence based units (ie those including 'be able' learning outcomes and 'know/understand' learning outcomes)*

D32 Assess Candidate Performance and D33 Assess Candidate Using Differing Sources of Evidence
