To Ben Towers

I provide my support as an employer within the health sector, as I agree the following qualifications

- meet the industry needs
- would give a learner the relevant skills to gain employment
- develop and confirm specialist knowledge and skills which are relevant to the sector/occupation
- are suitable for a young person between the ages of 16-19 studying full time
- will give the young person an advantage when applying for a job, apprenticeship or progressing into higher education.
