To City & Guilds,

Dear Sirs,

We provide our support as a professional industry body within the hospitality & catering sector, as we feel the following qualifications are suitable for a young person between the ages of 16-19, studying full time will give that young person an advantage when going onto applying for a job.

We feel the qualifications give a focus on food service, a key part of the overall successful delivery when a customer is out at restaurants or other establishments.

Those successfully achieving either one of these qualifications have a vast array of opportunities to gain relevant employment and to further their learning.

We the Academy of Food & Wine Service support the inclusion of:

- City & Guilds Level 2 Diploma in Professional Food & Beverage Service 601/0993/2
- City & Guilds Level 2 Certificate in General Food and Beverage Service Skills 500/8698/4 for the DfE performance tables in the substantial level 2 qualification category.

We confirm that we consent to our company name (and logo) being made publicly available on the DfE and City & Guilds website.

Yours sincerely

T N Scade
