

Unit 205: Professional workplace standards

Activity 3: Professionalism

Who is the most professional person you know?

What makes them seem so professional? Give specific examples.

Think about what you want to learn from them. What do you think you need to improve on to be more professional?

Research using the internet or magazines and newspapers, to select an image or text that describes what it means to be professional. Write one sentence about the image you chose and present it to the group at the next session.
