Dear Ms Brennan,

As a Trade Organisation for the farming industry in Wales we feel that the following qualifications meet the industry needs and would give a learner the relevant skills to gain employment. The qualifications develop and confirm specialist knowledge and skills which are relevant to the industry. They are suitable for a young person between the ages of 16-19 studying full-time and upon completion, will give the young person an advantage when applying for a job, apprenticeship or progressing into Higher Education.

NFU Cymru support the inclusion of:

500/8488/4	Level 3 Certificate in Agriculture (QCF)
500/8388/0	Level 3 Subsidiary Diploma in Agriculture (QCF)
600/6048/7	Level 3 90-Credit Diploma in Agriculture (QCF)
500/8487/2	Level 3 Diploma in Agriculture (QCF)
500/8490/2	Level 3 Extended Diploma in Agriculture (QCF)

for the DfE 2016 performance tables in the Technical Level category.

I confirm that we consent to our company name being made publicly available on the DfE and City & Guilds websites. If you require our logo, please contact me.

Yours sincerely

Stella Owen
