To City & Guilds

As an employer in the Agriculture industry, we feel that the following qualifications meet business needs and would give a learner the relevant skills to gain employment. The qualifications develop and confirm specialist knowledge and skills which are relevant to the agricultural industry. They are suitable for a young person between the ages of 16-19 studying full-time and upon completion, will give the young person an advantage when applying for a job, apprenticeship or progressing into Higher Education.
