Dear Mr Lardi

Level 4 Diploma in Work-based Agricultural Business Management (QCF) 600/2842/7

The National Farmers Union represents 47,000 farm businesses in England and Wales. In addition we have 40,000 countryside members with an interest in farming and the country.

We would like to provide our support for the above qualification. There are no other Level 4 work-based qualifications in Agriculture currently available, and it is required by the industry to drive the professionalism agenda as part of the industry wide Agri-Skills Strategy

Yours sincerely
