

0171-516 JUNE 2019 Level 3 Advanced Technical Extended Diploma in Land-Based Engineering (1080)

Level 3 Land-Based Engineering – Theory exam (1)

If provided, stick your candi barcode label here.	date			ay 18 – 15:		e 20 1	19						
Candidate name (first, last)													
First													
Last													
Candidate enrolment number	Date of birth	n (DDMM	MYY'	(Y)		Gen	der	(M/F	=)				
Assessment date (DDMMYYYY)	Centre num	ber			Ca	ndida	ate s	ign	atur	e an	d d	eclarati	on*

- If additional answer sheets are used, enter the additional number of pages in this box.
- 0 0
- Before taking the examination, **all candidates** must check that their barcode label is in the appropriate box. Incorrectly placed barcodes may cause delays in the marking process.
- Please ensure that you staple additional answer sheets to the **back** of this answer booklet, clearly labelling these with your full name, enrolment number, centre number and qualification number in BLOCK CAPITALS.
- All candidates need to use a **black/blue** pen. **Do not** use a pencil or gel pen, unless otherwise instructed.
- If provided with source documents, these documents **will not** be returned to City & Guilds, and will be shredded. Do not write on the source documents.
- *I declare that I had no prior knowledge of the questions in this examination and that I will not divulge to any person any information about the questions.

You should have the following for this examination

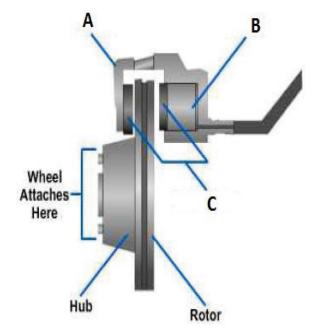

- a pen with blue or black ink
- a non-programmable calculator

General instructions

- Use black or blue ball-point pen.
- The marks for questions are shown in brackets.
- This examination contains 12 questions. Answer all questions.
- Answer the questions in the spaces provided. Answers written in margins or on blank pages will not be marked.
- Cross through any work you do not want to be marked.

(3 marks)

1 Identify the components labelled A, B and C in Figure 1.
