

Level 4 Certificate in Managing Health and Safety in Agriculture/Horticulture

Sample written paper

You should have the following for this examination

- 1 this question paper
- 2 lined paper for answers to be written on
- 3 pen

This is a sample exam paper showing examples of two questions that may be asked in a full paper. A full exam paper consists of seven questions and candidates will be allowed 2 hours to complete it.

Each question is marked out of 10 marks

To achieve a pass, candidates must achieve **60%** or more (6/10) in **each** question

1. Employers are required to appoint competent persons to assist them in undertaking the measures necessary to comply with the law. Explain what The Management of Health and Safety at Work Regulations 1999 require in respect of the appointment of such persons for an agricultural or horticultural business.
(10 marks)
2. What legal duties do employers have regarding the health and safety of the general public? Give examples of situations in agriculture or horticulture in which public safety must be properly managed and how this might be dealt with in the health and safety policy of a farm or horticultural business.
(10 marks)
