

# Paradise Park

Wildlife Sanctuary & JungleBarn Play Centre  
Home of the World Parrot Trust

1st September

To City & Guilds,

Paradise Park is an award winning tourist attraction in Cornwall with over 650 species of birds, including many rare and beautiful parrots, flamingos, toucans and red-billed Cornish choughs as well as a varied collection of animals, large and small.

We would like to provide our support to City & Guilds. We feel that the following qualifications are suitable for a young person between the ages of 16-19 studying full time. They will give the young person an advantage when applying for a job or progressing onto an apprenticeship, or further learning.

We, Paradise Park, support the inclusion of:

- City & Guilds Level 2 Extended Certificate in Animal Care (QCF) 500/8355/7
- City & Guilds Level 2 Diploma in Animal Care (QCF) 500/8356/9

on the DfE 2017 performance tables in the substantial vocational qualifications at level 2 category.

We feel the progression opportunities into employment are:

- Animal Care Assistant
- Animal Handling Assistant

We confirm that we consent to our company name (and logo) being made publicly available on the DfE and City & Guilds websites.

Yours sincerely

Alison Hales
