

Study Programme enrichment information sheet

Level 3 Advanced Technicals in Animal Management (0172)

City & Guilds offer a wide range of vocationally relevant short qualifications that could be studied alongside a main qualification as part of a broader programme of study. Some of these short qualifications' knowledge, understanding and skills can be gained via the teaching of the mandatory and optional units within the main 0172 qualifications, thereby potentially reducing the cost of delivering these enrichment qualifications to learners.

Gaining these qualifications can increase employability prospects for learners; some may be legally required, or viewed as an industry requirement. Suggested qualifications that may complement the 0172 qualifications include:

Livestock Certificates of Competence (CoCs)

City & Guilds NPTC Level 2 Award in Basic Stockmanship and Welfare

City & Guilds NPTC Level 2 Award in the Transport of Animals by Road (Short Journeys)

City & Guilds NPTC Level 2 Certificate of Competence in the Safe and Responsible Use of Veterinary Medicines
