First

Last

Candidate enrolment number

Date of birth (DDMMYYYY)

Gender (M/F)

Assessment date (DDMMYYYY)

Centre number

Candidate signature and declaration*

- If additional answer sheets are used, enter the additional number of pages in this box. 
- Before taking the examination, **all candidates** must check that their barcode label is in the appropriate box. Incorrectly placed barcodes may cause delays in the marking process.
- Please ensure that you staple additional answer sheets to the **back** of this answer booklet, clearly labelling these with your full name, enrolment number, centre number and qualification number in BLOCK CAPITALS.
- All candidates need to use a **black/blue** pen. **Do not** use a pencil or gel pen, unless otherwise instructed.
- If provided with source documents, these documents **will not** be returned to City & Guilds, and will be shredded. Do not write on the source documents.

***I declare that I had no prior knowledge of the questions in this examination and that I will not divulge to any person any information about the questions.**

You should have the following for this examination

- a pen with blue or black ink

General instructions

- Use black or blue ball-point pen.
- The marks for questions are shown in brackets.
- This examination contains 13 questions. Answer **all** questions.
- Answer the questions in the spaces provided. Answers written in margins or on blank pages will **not** be marked.
- Cross through any work you do not want to be marked.

1 State **four** horse feet/shoe conditions that would need assistance from either a farrier or the vet. (4 marks)

2 Explain the importance of RIDDOR when working on a yard **and** give **two** practical examples. (4 marks)

3 For **each** of the following aspects of stable design, explain the consequences for the horse of inadequate provision. (2 marks)

a) Size and dimensions of stable.

b) Ventilation. (2 marks)

4 A new horse, who suffers from severe respiratory problems, has been brought onto a yard.

State the most suitable management system for this horse **and** explain why this is the case.

(4 marks)

5 Explain **one** potential health and welfare risk to a horse of being grass kept in a herd.

(2 marks)

6 List **four** aspects that would be assessed when performing a routine health check on a horse.

(4 marks)

7 Name in full **four** notifiable diseases.

(4 marks)

8 A stabled competition horse lacks energy and stamina when being ridden and is not performing well. He has started to lose weight through loss of appetite and is aggressive when being tacked up. When he is in the stable, he is also showing discomfort around the flanks.

a) Identify the possible disorder. (1 mark)

b) Explain the causes of this disorder. (3 marks)
