City & Guilds Veterinary Nursing Qualifications

1. Exam timetable guidance

These are dated exams available as paper-based exams only. Availability on the City & Guilds evolve computer-based testing platform has been discontinued.

All exams **must** be invigilated according to the *JCQ Instructions for conducting examinations*.

Starting times of dated exams

Each dated exam must be taken on the day and at the time shown on the timetable. The published starting time of all exams is **9.30am**.

Candidates who finish the exam early must remain under supervision until **10.30am**.

Centres may **delay the starting time** of an exam within the scheduled session without notifying City & Guilds but candidates must be supervised from **10.00am**.

Candidates taking more than one exam in a session should take these consecutively. A **supervised** break may be given between the exams taken consecutively at the discretion of the centre.

In exceptional circumstances where the size of the cohort means that it is not possible for all candidates to sit the exam at the same time, centres may split the cohort with some of the cohort sitting the exam later than the published time, on the same day. The security of the exam must be maintained at all times. Candidates taking the exam at the later time must be **supervised** at all times, and must have no contact with those candidates who have already taken the exam. The exam **must** be undertaken on the same day as the scheduled exam timetable.

For information on any other timetable variations, please refer to the *JCQ Instructions for conducting examinations* or contact policy@cityandguilds.com

2. Results release

Results will be published on the Walled Garden **within 32 working days** of the exam date.

We will aim to publish these in advance of this where possible. This time is required to ensure exam scripts are marked, marking is standardised and all results for all learners for a particular exam are considered together to set an appropriate pass mark. In exceptional circumstances we may require longer than 32 working days – but we will communicate this in advance.

3. Exam timetable

Qualification	Exam title	Paper based exam numbers	Exam type	March exam date	June exam date	September exam date	December exam date	Exam time	Exam duration
