1. Exam timetable guidance

These are dated exams available as paper-based exams only. Availability on the City & Guilds evolve computer-based testing platform has been discontinued.

All exams **must** be invigilated according to the *JCQ Instructions for conducting examinations*.

1.1. Starting times of dated exams

Each dated exam must be taken on the day and at the time shown on the timetable. The published starting time of all exams is either **9.30am**.

Candidates who finish the exam early **must** remain under supervision until **10.30am**.

Centres may **delay the starting time** of an exam within the scheduled session without notifying City & Guilds but candidates must be supervised from **10.00am** for morning exams.

Candidates taking more than one exam in a session should take these consecutively. A **supervised** break may be given between the exams taken consecutively at the discretion of the centre.

In **exceptional circumstances** where the size of the cohort means that it is not possible for all candidates to sit the exam at the same time, centres may split the cohort with some of the cohort sitting the exam later than the published time, on the same day. The security of the exam must be maintained at all times. Candidates taking the exam at the later time must be **supervised** at all times, and must have no contact with those candidates who have already taken the exam. The exam must be undertaken on the same day as the scheduled exam timetable.

For information on any other timetable variations, please refer to the JCQ Instructions for conducting examinations or contact policy@cityandguilds.com

1.2. Results release

We will aim to publish all paper examiner marked results on the Walled Garden **within 32 working days** following receipt of correctly packaged and completed materials where such results are authorised for release. In exceptional circumstances we may require longer than 32 working days – but we will communicate this in advance.

1.3. Final examination series

The Level 3 Diploma in Small Animal Veterinary Nursing (7457-33) and Level 3 Diploma in Equine Veterinary Nursing (7457-43) **close for certification on 31 August 2023**.

This means that the **final examination series** available will be June 2023. No further dated exams will be made available after this and additional contingency examination series will **not** be provided for learners.

Any candidates that have not successfully achieved any remaining dated entry examinations after the June examination will not be able to achieve the qualification with City & Guilds and will need to work with their training provider on alternative provision.

About City & Guilds

Since 1878 we have worked with people, organisations and economies to help them identify and develop the skills they need to thrive. We understand the life changing link between skills development, social mobility, prosperity and success. Everything we do is focused on developing and delivering high-quality training, qualifications, assessments and credentials that lead to jobs and meet the changing needs of industry.

We work with governments, organisations and industry stakeholders to help shape future skills needs across industries. We are known for setting industry-wide standards for technical, behavioural and commercial skills to improve performance and productivity. We train teams, assure learning, assess cohorts and certify with digital credentials. Our solutions help to build skilled and compliant workforces.
