

## OSCE Code 7457-350 Nursing Care 13 (Abrasion bandage) for Unit 311

## This station covers the following RCVS Day One Skills: 1.1, 3.3, 4.7, 4.8

This OSCE will be used to assess the awards indicated

Award	Award Reference	Pathway
7457 – Level 3 Diploma in Veterinary Nursing	600/6052/6	Small Animal
7457 – Level 3 Diploma in Veterinary Nursing	600/6052/9	Equine

## Scenario

This patient has a small abrasion on the dorsal aspect of the x carpus (as indicated by the simulated wound on the model).

The veterinary surgeon has requested that you dress the wound to protect it for three days.

Note: The patient has been sedated appropriately for the examination and dressing application and is restrained

Meth	Methodology: You will be expected to:		
1.	Select wound dressing		
2.	Select padding		
3.	Select conforming bandage		
4.	Select protective layer		
5.	Select surgical blade		
6.	Select scissors		
7.	Select and prepare (unwrap) materials and equipment prior to starting the bandage		
8.	Wear gloves		
9.	Apply wound dressing with correct side facing wound		
10.	Dressing is applied in a aseptic manner		
11.	Apply a minimum of two layers of synthetic padding or one layer of cotton wool over the carpus		
12.	Padding applied to include the distal radius and ulna		
13.	Padding applied to include the proximal metacarpus		
14.	Apply conforming bandage		
15.	Apply outer protective layer		
16.	Protective layer not extended beyond the proximal and distal edge of the underlying padding		
17.	Bandage material applied in correct order ensuring each rotation covers $\frac{1}{2}$ - $\frac{2}{3}$ of previous rotation		
18.	Check bandage is neat		
19.	Check suitable tension of bandage (i.e. not too loose or too tight)		
20.	The completed bandage is suitable for its purpose (i.e. not too small or too large)		
21.	Bandage applied to correct limb (X carpus)		
22.	Finished bandage correct tension (examiner check)		
23.	Pressure relieved over accessory carpal bone (i.e. either small area left unbandaged or pressure released using scalpel blade)
