

To Susie Brennan

I provide my support as an employer of Veterinary Nurses and feel that the following qualification:

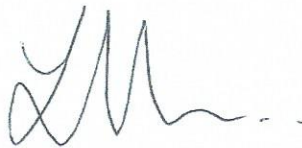

- meets the industry needs
- would give a learner the relevant skills to gain employment
- develop and confirm specialist knowledge and skills which are relevant to the Veterinary Nursing industry
- are suitable for a young person between the ages of 16-19
- will give the young person an advantage when applying for a job, apprenticeship or progressing into Higher Education
- 

We White Cross Vets support the inclusion of:

600/6052/9 City & Guilds Level 3 Diploma in Veterinary Nursing (QCF) for the DfE 2016 performance tables in the Technical Level category.

We confirm that we consent to our company name (and logo) being made publicly available on the DfE and City & Guilds websites.

Yours sincerely
