

Study Programme enrichment information sheet

Level 3 Advanced Technicals in Land & Wildlife (0173)

City & Guilds offer a wide range of vocationally relevant short qualifications that could be studied alongside a main qualification as part of a broader programme of study. Some of these short qualifications' knowledge, understanding and skills can be gained via the teaching of the mandatory and optional units within the main 0173 qualifications, thereby potentially reducing the cost of delivering these enrichment qualifications to learners.

Gaining enrichment qualifications can increase employability prospects for learners; some may be legally required, or viewed as an industry requirement. Suggested qualifications that may complement the 0173 qualifications include:

Forestry and Arboriculture Certificates of Competence (CoCs)

City & Guilds NPTC Level 2 Award in Chainsaw Maintenance and Cross Cutting
