Dear Susie

The British Trout Association represents in the region of 80% of trout production in the UK, and has over 100 members made up of trout farmers, feed suppliers and a number of aquacultural academics. Many of our members in England and Scotland are actively involved in providing work placement opportunities to students studying Level 3 Fish Management.

We would like to support the following City & Guilds qualification:

City & Guilds Level 3 Advanced Technical Extended Diploma in Land & Wildlife Management (Fisheries) (720)

For the Fisheries pathway, we support the following skills and knowledge being provided by:

- Working safely in the fisheries industry
- Work placement in a fisheries business
- Prepare and operate land-based machinery
- Water quality
- Fish biology
- Fish health

The inclusion of optional units in fish farming and the increased practical element of this qualification ensure that potential employees entering our sector of the industry have the appropriate level of understanding and practical skills.

BRITISH TROUT ASSOCIATION

The Rural Centre, West Mains, Ingliston, Midlothian EH28 8NZ. e: btaoffice@britishtrout.co.uk Tel: 0131 472 4080
Registered in UK No: 24021R VAT No: 381 8534 31

A young person with the above practical skills and knowledge could be at an advantage in applying for roles within the industry such as:

- Fish farm worker

We support the development of this City & Guilds Technical qualification and feel that it is fit for purpose across the Land & Wildlife industries.

We confirm that we consent to our Association name (and logo) being made publicly available on the City & Guilds website.

Yours sincerely
