To City & Guilds

The British Equestrian Federation is the recognised governing body of horse sports in the UK. Through its nineteen members (fifteen full members and four associate members) the BEF represents and works to promote the interests of the 4.2 million riders and carriage drivers in Britain.

The British Equestrian Federation recognises that the following qualifications meet the industry needs and would give a learner the relevant skills to gain employment. The qualifications develop and confirm specialist knowledge and skills which are relevant to the industry. They are suitable for a young person between the ages of 16-19 studying full-time and upon completion, will give the young person an advantage when applying for a job, apprenticeship or progressing into Higher Education.

We, the British Equestrian Federation, support the inclusion of:

- [500/8714/9](#) Level 3 Subsidiary Diploma in Horse Management (QCF)
- [600/6114/5](#) Level 3 90-Credit Diploma in Horse Management (QCF)
- [500/8709/5](#) Level 3 Diploma in Horse Management (QCF)
- [500/8708/3](#) Level 3 Extended Diploma in Horse Management (QCF)

for the DfE 2016 performance tables in the Technical Level category.

Yours sincerely
