From E.A. Winter Severnvale Training Ltd

To Susie Brennan

I provide my support as an employer within the Horse Management industry and feel that the following qualifications: Level 3 Diplomas in Horse Management (QCF)

- meets the industry needs by having a range of sizes of qualification available which can act as an in depth introduction to the equine industry across with many choices of units available to more specific qualifications which allow in depth focus
- would give a learner the relevant skills to gain employment in an equine yard including riding schools, trekking centres and specialist discipline yards in a variety of roles.
- develop and confirm specialist knowledge and skills which are relevant to the equine industry
- are suitable for a young person between the ages of 16-19 studying full-time
- will give the young person an advantage when applying for a job, apprenticeship or progressing into Higher Education

We Severnvale Equestrian Centre support the inclusion of:
