

## **Study Programme enrichment information sheet**

### **Level 3 Advanced Technical Diploma in Floristry (540) (0175-30)**

City & Guilds offer a wide range of vocationally relevant short qualifications that could be studied alongside a main qualification as part of a broader programme of study. Some of these short qualifications' knowledge, understanding and skills can be gained via the teaching of the units within the main 0175-30 qualification, thereby potentially reducing the cost of delivering these enrichment qualifications to learners.

Gaining enrichment qualifications can increase employability prospects for learners; some may be legally required, or viewed as an industry requirement. Suggested qualifications that may complement the 0175-30 qualification include:

0145-20 City & Guilds Level 2 Certificate of Technical Competence in Pruning - TQT 12hrs

0145-21 City & Guilds Level 2 Certificate of Technical Competence in Problematic Plants, Pests, Weeds and Diseases - TQT 12hrs
