Dear Ms Brennan,

I provide my support as an employer of Florists and feel that the following qualification:

- meets the industry needs
- would give a learner the relevant skills to gain employment
- develop and confirm specialist knowledge and skills which are relevant to the Floristry industry
- would be suitable for a young person between the ages of 16-19 studying full-time
- will give the young person an advantage when applying for a job, apprenticeship or progressing into Higher Education

At van Wonderen Flowers we support the inclusion of:

- 500/6505/1 Level 3 Certificate in Floristry (QCF)
 - 500/6503/8 Level 3 Diploma in Floristry (QCF)
- for the DfE 2016 performance tables in the Technical Level category.

I confirm that I consent to our company name (and logo) being made publicly available on the DfE and City & Guilds websites.

Yours sincerely,

Dennis van Wonderen
Director
