

To City & Guilds,

We are the leading local conservation charity with over 23,000 members dedicated to supporting our vital work for nature conservation across the county.

We would like to provide our support to City & Guilds. We feel that the following qualifications are suitable for a young person between the ages of 16-19 studying full time. They will give the young person an advantage when applying for a job, progressing onto an apprenticeship, or to further learning.

We at Warwickshire Wildlife Trust support the inclusion of:

- City & Guilds Level 2 Extended Certificate in Forestry and Arboriculture (QCF) 500/8587/6
- City & Guilds Level 2 Diploma in Forestry and Arboriculture (QCF) 500/8718/6

on the DfE 2017 performance tables in the Substantial Vocational Qualifications at level 2 category.

We feel the progression opportunity into employment is:

- Forest worker
- Arboretum worker
- General worker
- Estate worker

We confirm that we consent to our company name (and logo) being made publicly available on the DfE and City & Guilds websites.

Yours sincerely
