Level 3 NVQ Diploma in Furniture Making (500/8982/1)

OVERVIEW

What does this qualification cover?

This qualification covers the advanced occupational practical skills and knowledge required to work in furniture making roles within the furniture industry.

There are four pathways within this qualification including: traditional furniture; contemporary furniture; mattress manufacture and veneering. These are a number of advanced units covering complex furniture production, interpreting complex design specification and installing complex work surfaces.

You will take a mixture of mandatory units and optional units depending on your role profile within your workplace.

This is a Framework qualification.

Who could take this qualification? OR who is this qualification suitable for?

This qualification is suitable if you are working in furniture making roles within the furniture industry and you have a basic understanding of the practical skills and knowledge associated with your role profile within the workplace.

Ideally you should have taken the Level 2 NVQ Diploma in furniture making (600/3228/5) or have an understanding of basic furniture making processes. You also need to be employed in a furniture company in order that you can gather the evidence to demonstrate that you are competent in this qualification as you will be assessed in the workplace by a portfolio of evidence.
