## Assessment guidance and mark scheme Using the lift

**Time guidance**  
1 hour

## Assessor guidance notes for marking

- The assessor should mark the candidate paper according to the marking scheme provided.
- Once the assessor has marked the candidate paper, the centre must use the City & Guilds internal assessment processes before the candidate can be awarded a certificate.

## Using the marking scheme

- Apply the mark scheme methodically.
- Initially apply the **unshaded** section for each question.
- If this is not achieved, then work down the shaded rows until you find the appropriate mark.
- If none of the shaded sections are met then award 0 for that part of the mark scheme.
