Introduction

This document provides instructions for centres administering the reformed **Level 1 and 2 Functional Skills Mathematics and English (4748)** exams, available from September 2019. There are two delivery options available for these exams:

- paper-based;
- online (using e-volve).

Both are available on-demand, however:

- named registration and entry are required for each candidate,
- each exam **must** be booked for a specific date and time.

Differences to delivery of legacy Functional Skills qualifications (3748)

The key differences in the requirements for the reformed **Level 1 and 2 Functional Skills Mathematics and English (4748)** exams are:

- more detailed instructions on storing, handling and transporting assessment materials,
- restrictions on who can act as an invigilator;
- arrangements to prevent a candidate sitting the same question paper more than once;
- a requirement to return unused question papers
- requirements to notify City & Guilds of any changes to the date or location of exams;
- a non-calculator section of the mathematics exams;
- late entries will not be permitted.

Scope

This document sets out the City & Guilds requirements for:

- secure storage and handling of exam materials;
- secure and valid conduct of exams;
- secure return of exam materials.

This document will also highlight the specific requirements for online exams, where they differ from paper-based.

General requirements

Functional skills exam materials **must** be stored, accessed and handled by centres in a way that protects their confidentiality at all times. This applies from the receipt of the materials by the centre, to the point at which all exam materials, including candidate scripts, are returned to City & Guilds.

Only authorised members of staff with responsibility for the administration of the exams may have access to live exam materials. To mitigate the risk of malpractice or 'teaching to the exam', staff responsible for teaching Functional Skills **must not** have access to paper-based assessment materials under any circumstances. This applies before, during and after the exam has taken place.

Exam materials, including question papers, source materials and completed scripts **must not** be kept in **any** form (including photocopying, electronic scanning, photography or handwriting) either wholly or in part by any member of centre staff or any candidate. This also applies to the questions displayed on screen in an online exam.

Under no circumstances may live assessment materials, or any of their contents, be used for any purpose other than for live assessment. This includes use as practice material or as teaching/learning resources.

Centres must inform the Quality Delivery Teams if they wish to register any member of staff to take a Functional Skills qualification. This **must** be done before they complete any assessments. Failure to notify City & Guilds could affect the Qualification Approval Risk status and/or may constitute malpractice.

As stated in the City & Guilds Centre Manual, centre staff cannot undertake a City & Guilds qualification while they are teaching or assessing that qualification.

The head of centre has ultimate responsibility and accountability for ensuring that exams, at that centre, are conducted:

- securely;
- confidentially; and
- in accordance with the instructions set out in this document.

Compliance with these instructions

Centres must ensure that all exams are conducted in compliance with these instructions. Failure to do so could constitute maladministration or malpractice, which may result in:

- invalidation of candidate results;
- withdrawal of qualification or centre approval;
- communication of malpractice to other awarding organisations offering the qualifications and to the relevant regulatory authorities.

For more information, please refer to City & Guilds document [Managing cases of suspected malpractice in examinations and assessments](#).

1 General instructions for all Functional Skills exams

This section covers general instructions for all exams, with subsequent sections covering specific requirements for:

- paper-based exams;
- online exams;
- mathematics;
- English.

Where there are exceptions to the general instructions, these are specified.

It is the responsibility of the Head of Centre to ensure that all authorised members of staff and all those responsible for teaching Functional Skills qualifications are made aware of the instructions.

Before the exam

1.1 Scheduling the exam

- 1.1.1 Exams must be booked for a specific date and time and they should take place at this time, wherever possible.
- 1.1.2 Centres can move the exam time by up to one hour without informing City & Guilds.
- 1.1.3 In exceptional circumstances, the exam date can be moved by more than one hour, providing the requirements of 1.1.7 are met, for example, where:
- there are resourcing issues (such as no room or the invigilator is not available);
 - the candidates are not available (for example due to travel issues on the day of the exam).
- 1.1.4 Please remember that special consideration is not normally applied to on-demand exams, so if a candidate is affected by a temporary illness, temporary injury or some other event outside of their control at the time of the exam, it should be rescheduled as permitted by 1.1.7 or rebooked.
- 1.1.5 If the exam is booked for the wrong date due to an administration error, the exam date can be changed, providing the new date meets the requirements of 1.1.7.
- 1.1.6 Centres must inform City & Guilds of any changes to the exam time, date or location (beyond what is permitted by 1.1.2), using the online form on the Functional Skills (4748) qualification page of the City & Guilds website. Centres must complete this form at least one working day before the original scheduled exam date or the revised exam date, whichever is earlier. This **must** include the reason for the change.
- 1.1.7 The requirements for booking and changing scheduled exam dates are below:

Restriction	Paper-based	e-volve
Deadline for ordering	14 calendar days in advance	30 minutes in advance
Maximum period for moving the exam date	5 working days before or after	10 calendar days before or after

- 1.1.8 To ensure no candidate sits the same question paper more than once, orders may be cancelled if there is no suitable **Version** of the question paper available (please refer to the **Glossary** for the definition of *version*). City & Guilds will notify centres where this is the case.
- 1.1.9 Candidates should not be entered for a resit until they have received their results.

Additional requirements for paper-based

- 1.1.10 All candidates included on the same Invigilation Certificate (attendance register) must sit the exam at the same time and at the same exam location. If any candidates on that attendance register are not able to take the exam at that time, they **must** be recorded as absent.
- 1.1.11 To ensure no candidate sits the same question paper more than once, orders for resits for more than one candidate may be split into more than one pack. The centre will receive a separate Invigilation Certificate (attendance register) for each pack.

Centres can view if and how orders have been split on the Walled Garden, using 'Order Reports'. For more information refer to the Walled Garden Order Reports.

- 1.1.12 Candidates must sit the question paper that has been allocated to them. If a candidate sits a different version of the question paper, City & Guilds may not be able to process their results.
- 1.1.13 All assessment materials must be returned to City & Guilds, split by attendance register using the envelopes and pre-printed address labels provided.
- 1.1.14 Centres **must** ensure that all booking information is correct, as it cannot be amended after the order has been placed. This information will appear on all stationery relating to the booking, ie the Invigilation Certificate (attendance register) and candidate barcode.
- 1.1.15 No additional question papers will be included with any booking and no additional candidates can be added after the booking has been made.

1.2 Examination location

- 1.2.1 Any room in which an exam is held **must** provide candidates with appropriate conditions for taking that exam. Centres **must** pay attention to conditions such as heating, lighting, ventilation and the level of outside noise. Centres must take all reasonable steps to ensure these are suitable for an exam.
- 1.2.2 Centres **must** ensure that they have suitable locations available to enable candidates to sit exams securely and without any disturbance. In addition to the requirements in this section, the following requirements **must** also be met:
- Section 2.3, on page 14 for paper-based exams;
 - Section 3.1, on page 18 for e-volve exams.
- 1.2.3 Centres **must** have accommodation to administer exams according to the requirements of this document, which can support the size(s) of the cohorts they have registered for the qualification.

- 1.2.4 The layout of the room must allow the invigilator(s) to clearly see all the candidates in order to prevent any potential malpractice. For example, invigilators must be able to see whether candidates are using any unauthorised equipment or materials.
- 1.2.5 Centres must ensure that no candidate can see another candidate's work. The following requirements **must** be met regarding this:
- Section 2.2.3, on page 14 for paper-based exams;
 - Section 3.1.2, on page 18 for e-volve exams.
- 1.2.6 Exams for different qualifications can be held in the same room, at the same time, but the room **must not** be used for anything other than exams, while exams are taking place.
- 1.2.7 There **must not** be anything displayed in the room (e.g. posters on the wall) that could help the candidate in the exam. Any such material, must be taken down, or covered up before candidates are admitted into the exam room.
- 1.2.8 The *Warning to Candidates* poster and the *No Mobile Phone* poster **must** be displayed in a prominent place outside the exam room. This may either be a hard copy A3 paper version of the poster, in either black and white or colour, or a projection of the poster onto a wall or screen for all candidates to see. Centres can use the JCQ Exam Room Posters, which are available from the JCQ website, www.jcq.org.uk.
- 1.2.9 The centre **must** create a seating plan for each exam and provide it to City & Guilds upon request. It should not be submitted with the scripts. Any changes made to seating arrangements during the exam **must** be noted on the seating plan.
- 1.2.10 The centre **must** keep a copy of the seating plan until six months after the exam date (unless there are any outstanding appeals, malpractice investigations or other results enquiries, in which case the centre must retain the plan until they are concluded).

Alternative venues

- 1.2.11 Exams can be administered away from the centre, providing the location meets **all** the requirements listed in this document.

Please refer to [Alternative Locations and Subcontractors policy](#) for more information. In these instances it is the centre's responsibility to ensure that there are appropriately trained invigilators at the alternative locations.

- 1.2.12 The centre must inform City & Guilds that a location is an *assessment site* before any exams can take place at that site, for more information please refer to Section 5.1, on page 22.
- 1.2.13 All assessment sites may be subject to an Exam Audit by City & Guilds. For this reason, the centre must notify City & Guilds in advance of any exam which is to take place away from its registered address. Failure to do so will be deemed as maladministration.

For more information on transporting paper-based question papers, please refer to Section 2.2, on page 13.

1.2.14 If using e-volve, information on the location **must** be added when booking the exam on the Walled Garden, under the 'additional details' section. Please note that exams are referred to as 'tests' on e-volve.

1.3 Invigilation requirements and people present

- 1.3.1 Invigilators are responsible for ensuring that the exam is conducted securely and in line with these instructions. It is the responsibility of the head of centre to ensure that appropriately trained invigilators are available for all Functional Skills exams and that they meet the requirements listed below.
- 1.3.2 Invigilators **must** supervise the candidates throughout the exam and give complete attention to this duty at all times.
- 1.3.3 Invigilators **must not** carry out any other task while they are invigilating.
- 1.3.4 There must be at least one invigilator for each group of 30 candidates.
- 1.3.5 If only one invigilator is present, they must be able to summon assistance without leaving or disturbing the candidates. An invigilator is only allowed a mobile phone in the exam room for this specific purpose. The mobile phone must be kept on silent mode.
- 1.3.6 A tutor for the subject being examined **must not** be an invigilator for any exam.

Examples:

- A Functional Skills mathematics tutor can be an invigilator for an English exam.
- A Functional Skills English tutor can be an invigilator for a mathematics exam.

- 1.3.7 In exceptional circumstances, if only a tutor can access the exam location and/or the candidates, the centre can apply for permission for a tutor to act as an invigilator. Applications can be made using the online form on the [Functional Skills \(4748\) Invigilation Exemption Request](#) page of the City & Guilds website. This should be completed at least one month before the first exam date. City & Guilds will reply within five working days. Any on-going exemptions will be reviewed on an annual basis and approval may be removed if any issues with invigilation or potential risks to results are identified.
- 1.3.8 Relatives, friends and/or peers of candidates **must not** be an invigilator for any exam.
- 1.3.9 The **only** people permitted in the exam room are the invigilator(s), the candidates and anyone else required to facilitate the exam (e.g. technical support or readers/scribes).
- 1.3.10 Tutors are **not permitted** to enter the room in order to check the contents of the exam.
- 1.3.11 Invigilation **cannot** be undertaken remotely; invigilators must be in the same room as the candidates sitting the exam.
- 1.3.12 Invigilators should be vigilant for candidates who are distressed or who are feeling unwell.

1.4 Equipment and resources

- 1.4.1 Invigilators **must** ensure that all equipment listed on the question paper or required to facilitate online exams is ready and available for all candidates prior to the exam beginning.

- 1.4.2 Invigilators should ensure candidates do not bring any unauthorised equipment with them into the exam room. This includes mobile phones, MP3/4 players, smartwatches and wrist watches which have a data storage device or access to the internet.

Centres may find it easier to ask all candidates to remove their watches and place them on their desk.

- 1.4.3 If a candidate has brought any unauthorised equipment into the room, these must be handed in to the invigilator before the start of the exam.
- 1.4.4 Reference materials and candidate notes are not permitted.
- 1.4.5 Any pencil cases must be see-through.
- 1.4.6 Any food or drink brought into the exam room must be free from packaging and all labels **must** be removed from drink containers.
- 1.4.7 Where an invigilator sees a candidate with any unauthorised equipment once the exam has begun, they should confiscate it immediately. If an invigilator has concerns that unauthorised equipment has been used to unfairly advantage a candidate, this must be reported to City & Guilds, clearly identifying which candidate(s) are affected.
- 1.4.8 If the exam requirements are unclear, the centre **must** check with City & Guilds before the exam begins. If any candidate has access to equipment or materials that are not permitted, that could affect the validity of their results.

For more information on permitted materials for specific subjects, please refer to Section 4 on page 20.

1.5 Access arrangements

- 1.5.1 Access arrangements **must** be agreed before an exam takes place. These allow a candidate with special educational needs or disabilities to:
- access the exam; and
 - demonstrate their skills and knowledge without changing the demands of the exam.

It is a centre's responsibility to request access arrangements on behalf of candidates and these must be agreed and in place before candidates sit an exam. For more information, please refer to the 'Access Arrangements and Reasonable Adjustments' section of the City & Guilds website at www.cityandguilds.com/policy.

- 1.5.2 Invigilators **must** be aware in advance of the exam which candidates have been granted access arrangements. Candidates with extra time or those with supervised rest breaks could finish (or start) the exam at different times to other candidates.
- 1.5.3 If a candidate has been granted extra time, this needs to be added on to an e-volve exam, when it is booked. It cannot be added on afterwards.

- 1.5.4 For some access arrangements, a person is required to facilitate, e.g. a reader or practical assistant. This person must be familiar with the invigilation requirements in this document. They **must not** be the candidate's tutor/assessor, relative, friend or peer.
- 1.5.5 Where a candidate and a practical assistant, reader, or scribe are accommodated in another room, on a one-to-one basis, an invigilator may additionally act as the practical assistant, reader, or scribe. In these instances, the centre **must** use an additional 'roving' invigilator, who enters the room at regular intervals to observe the exam and ensure all invigilation requirements are met.
- 1.5.6 If there is more than one candidate in the room however, there **must** be a separate invigilator in the room at all times.
- 1.5.7 Where candidates are using a sign language interpreter, a separate invigilator is required.
- 1.5.8 For paper-based exams, scribes and practical assistants **must** sign the appropriate cover sheet, which should be sent with the candidate's script. The cover sheets are available from the JCQ website, www.jcq.org.uk.
- 1.5.9 A reading pen can be used, providing it does not have a built in dictionary, thesaurus or data storage facility. If the candidate is located in the same room as other candidates, they must use headphones plugged into the reading pen.
- 1.5.10 Any braille scripts must be transcribed by the centre. Braille scripts cannot be marked by City & Guilds examiners.
- 1.5.11 For paper-based exams, candidates can type their answers, with spelling and grammar check/predictive text disabled, where it is their normal way of working. Candidates must include their name, candidate enrolment number and centre number on each page as a header or footer.
- 1.5.12 Typed scripts without a cover sheet may not be marked.
- 1.5.13 The question paper can be photocopied onto coloured or A3 paper. The centre can open the question papers in the secure room up to two hours before the exam in order to do this. Prior permission is not required. The centre must return both the original and the photocopy of the question paper with the scripts.

1.6 Identification

- 1.6.1 For each exam, the invigilator **must** confirm the identity of each candidate prior to them sitting the exam.
- 1.6.2 Where the invigilator doesn't know the candidate, they should use photographic ID to verify their identity. Centre or employee ID badges can also be used, where these are available.
- 1.6.3 If a candidate sits an exam in another candidate's name (whether it is intentional or not), this may constitute malpractice and **must** be reported to City & Guilds immediately.

During the exam

1.7 Starting the exams

1.7.1 Before starting the exams, invigilators **must**:

- ensure candidates have all the required materials they need to sit the exam;
- remind candidates that they are not allowed to communicate in any way with another candidate during the exam;
- inform candidates if there are any planned fire alarms due to take place during the exam.

1.7.2 The invigilator **must not**:

- read, re-phrase or explain any questions for the candidate,
- comment on a question or direct candidates to a particular section, or questions,
- give candidates information or comment on possible mistakes in the exam, unless specifically asked to do so by City & Guilds. If an invigilator suspects that there is a mistake or error with a question, they should administer the exam as normal and report their concerns to City & Guilds as soon as possible.

1.8 Entering and leaving the room

1.8.1 Candidates who arrive late may still sit the exam, but invigilators **must** ensure this does not disturb other candidates.

1.8.2 Candidates can leave if they finish the exam before the allotted time, providing this does not disturb other candidates.

1.8.3 Candidates are permitted to leave the room temporarily (for example to use the toilet) on the condition that they are accompanied by an invigilator. The remaining candidates **must not** be left unattended. If there is only one invigilator, they **must** call another invigilator to accompany the candidate(s) out of the room.

1.8.4 Invigilators must ensure that candidates leaving the room during an exam do not disrupt the other candidates.

1.9 Emergencies

1.9.1 In some instances (e.g. unplanned fire alarms) it may be necessary to evacuate candidates from an exam room.

1.9.2 If emergency evacuation is necessary, invigilators **must** ensure candidates:

- are supervised at all times;
- do **not** communicate with each other for the duration of the evacuation;
- do **not** have access to any unauthorised equipment or materials for the duration of the evacuation.

1.10 Malpractice

1.10.1 Invigilators must be vigilant for any potential candidate malpractice. For further information on managing suspected malpractice, please see section 4 of the ***City & Guilds Managing cases of suspected malpractice in examinations and assessments*** document, available on the City & Guilds website.

1.10.2 The centre **must** inform City & Guilds within 10 working days where malpractice is suspected.

- 1.10.3 In cases of suspected of malpractice, invigilators must warn the candidate(s) that City & Guilds will be informed and that this may lead to their results being invalidated.
- 1.10.4 If invigilators find candidates using unauthorised equipment or materials, they should remove and retain the items for the duration of the exam. Candidates should be allowed to complete the exam, unless they are disrupting other candidates.
- 1.10.5 Where unauthorised equipment or materials have been used, City & Guilds **must** be informed.

2 Paper-based specific instructions

2.1 Access and authorised use of exam materials

- 2.1.1 The following instructions apply to all paper-based confidential materials, eg question papers and source materials, in order to ensure the integrity and security of the exams.

These instructions also apply to modified questions papers, eg enlarged question papers.

Secure storage requirements

- 2.1.2 Confidential exam materials must be stored securely at the centre's registered address in a room solely assigned for the purpose of administering exam materials, restricted to two to four key holders only. It is for the head of centre to set out the appropriate terms of authorisation for members of centre staff.

- 2.1.3 The requirements for secure storage are:

Requirement	Notes
<ul style="list-style-type: none">Strong safe or security cabinet or metal cabinet with locking bar.Two to four key holders only.	<ul style="list-style-type: none">Bolted to wall or floor.Small safes must be fixed securely in place.
<ul style="list-style-type: none">Walls, ceiling and floor of strong, solid construction.	<ul style="list-style-type: none">Unless wall is solid brick, it must be reinforced with metal.
<ul style="list-style-type: none">Solid door or a door with extra metal reinforcement.Strong, secure hinges.Security lock, eg 5 lever mortice lock.Two to four key holders only.	<ul style="list-style-type: none">Any metal sheeting must be screwed on the inside of the door.Cylinder locks are not acceptable.There must be at least two keys.
<ul style="list-style-type: none">Secure room in a fixed building, i.e. not a Portakabin or similar.Walls, ceiling and floor of strong solid construction.	<ul style="list-style-type: none">Preferably on an upper floor with no windows.The room must only contain assessment related material.

Receipt of question paper packs

- 2.1.4 Centres **must** be able to demonstrate and account for the receipt, secure movement and secure storage of confidential exam materials at all times.
- 2.1.5 Centres **must** ensure that confidential exam materials are only delivered to those authorised by the head of centre.
- 2.1.6 Centres **must** ensure that parcels containing confidential materials are signed for by an authorised member of staff. A log **must** be kept at the initial point of delivery of confidential exam materials, which details all deliveries and the number of parcels received.

Checking question paper packs

- 2.1.7 The unopened question paper packs and assessment material must be checked carefully. This must be undertaken in the secure room. The centre must inform City & Guilds **immediately** if there are any problems, for example:
- if it appears that the parcel or one of the question paper packs has been opened during transit and therefore there may have been a breach of security;

- there are any differences between the material received and the despatch/delivery note;
- the material has been significantly damaged in transit or upon opening.

2.1.8 Centres must check question paper packs against their centre timetable or entries and arrange them in timetable order to reduce the possibility of opening a pack at the wrong time.

2.1.9 Check for any modified question papers (if requested) which may arrive separately from the main despatch of question papers.

Storing question paper packs

2.1.10 Question papers **must** only be accessed by authorised members of centre staff in accordance with City & Guilds' instructions, as defined in this document.

2.1.11 At the point of delivery, question paper packs **must** be locked away in the centre's secure storage facility (as defined in this document).

2.1.12 Only persons authorised by the head of centre and the exams officer are allowed access to the centre's secure storage facility. This **must not** include anyone responsible for teaching Functional Skills qualifications or preparing the candidates for the exam.

2.1.13 City & Guilds **must** be informed no later than 6 weeks in advance of any change to the centre address or a re-location of the secure storage facility.

2.1.14 Unused question papers **can** be kept in the centre's secure storage facility, until they are returned to City & Guilds.

Opening packs of question papers

2.1.15 For smaller cohorts, the packs of question papers should be kept in their sealed packs and only opened in the exam room, just before the start of the exam and in front of the candidates.

2.1.16 For larger cohorts, where centres are using a number of rooms for exams, they may open the pack(s) of question papers in order to split them up into more appropriately sized sets for the different rooms. Prior approval from City & Guilds is not required for this arrangement.

2.1.17 In order to avoid potential breaches of security, care must be taken to ensure the correct question paper packs are opened. An additional member of centre staff, who can be an invigilator, **must** check the day, date, time, subject, level and component, immediately **before** a question paper pack is opened.

2.1.18 Where orders for cohorts of candidates have been split, centres will receive different **versions** of the question paper for the same exam. The invigilator must make sure candidates sit the version allocated to them. If a candidate sits the incorrect version of the exam, City & Guilds may not be able to process the results.

2.1.19 Barcode stickers are provided for each candidate. The barcodes **must** be stuck correctly to the front of the version of the question paper allocated to the candidate. Failure to do so may affect the timely marking and issuing of results. More information on how to do this is enclosed with the question papers.

- 2.1.20 For larger cohorts where there are a large number of barcodes to attach, centres may open the pack(s) of question papers up to two hours before the exam. Prior approval from City & Guilds is not required for this arrangement.

Sticking the barcodes to the question papers before the exam will provide additional opportunities to check they have been applied to the correct version of the question paper.

- 2.1.21 Centres can choose any of the approaches listed above in 2.1.15 to 2.1.20, but the question paper packs **must** remain sealed until at least two hours before the exam, they **must not** be opened before this.

Managing risks to the security of live assessment materials

- 2.1.22 Centres **must** maintain the confidentiality of candidate responses and candidate details.
- 2.1.23 Functional Skills exam materials **must** be treated as live assessment materials at all times before, during and after the exam has taken place.
- 2.1.24 Centres **must not** keep copies of any live Functional Skills exam material in **any** circumstances. This includes question papers, source materials and candidate scripts either in whole or in part and includes photocopying, electronic scanning, photography or copying through handwriting. Question papers may **only** be photocopied as described in 1.5.13. Question papers **must not** be copied under any other circumstances.
- 2.1.25 City & Guilds **must** be informed immediately if the security of any question paper(s) is put at risk.
- 2.1.26 Any natural disaster, fire, theft, loss, damage or any other circumstances which render the existing accommodation or secure storage of exam materials at risk, **must** be reported to City & Guilds **immediately**.

2.2 Transporting assessment materials to other sites

- 2.2.1 Candidates **must** sit their exam(s) at the centre's registered address unless the centre is using an alternative site arrangement.
- 2.2.2 Where a centre plans to hold an exam, for any candidate(s), at an address other than its registered address, the centre **must** inform City & Guilds.

For more information on informing City & Guilds about additional assessment sites, please refer to Section 5 on page 22.

- 2.2.3 Assessment materials **must** be kept in the centre's secure storage facility at the centre's registered address, approved by City & Guilds, until one working day before the scheduled starting time for the exam; (question paper packs **must not** be opened prior to the scheduled date of the exam).
- 2.2.4 The centre **must securely** transport or **must** organise the secure transport of question papers and other assessment materials to the alternative exam venue, no more than **one working day** before the scheduled starting time for the exam, if the requirements of 2.2.5 are met. The assessment materials must be despatched either:

- by post, using recorded delivery;
- using a secure courier (where the package is signed for); or
- by hand by the exams officer or the invigilator, in a lockable case.

2.2.5 Assessment materials can be stored overnight at an alternative exam location if it has a secure storage facility, which meets the requirements of section 2.1.3. If the alternative exam location does not have a secure storage facility, the exam can still be held at this address, but the assessment materials will need to be securely transported, to and from the venue on the day of the exam. Assessment materials must not be stored at an alternative exam location for more than one working day.

2.2.6 If assessment materials are transported in a lockable case, this **must not** be left unattended, at any time.

2.2.7 The head of centre remains accountable for ensuring that any exams that are conducted at an alternative exam location, are done so in accordance with this document.

2.3 The exam room

2.3.1 A reliable clock **must** be visible to each candidate in the exam room. The clock must be big enough for all candidates to read clearly. The clock **must** show the actual time at which the exam starts. Centres **must** carry out regular checks in advance of any exams to make sure all clocks used in the exam room are in good working order and show the same time.

2.3.2 A board/ flipchart/ projector/ whiteboard should be visible to all candidates showing the:

- centre number, subject title and paper number; **and**
- the actual starting and finishing times, and date, of the exam.

2.3.3 The minimum distance in all directions from centre to centre of candidates' chairs **must** be 1.25 metres.

2.3.4 Wherever possible:

- all candidates should face in the same direction;
- each candidate should have a separate desk or table big enough to hold question papers, and source materials.

2.3.5 Candidates who are not working at individual desks must be far enough apart so that they cannot see each other's work or communicate with each other in any way.

2.4 Starting the exam

2.4.1 Invigilators **must** tell candidates to:

- hand in any unauthorised equipment if they have not already done so;
- check the title of the exam on the question paper and candidate name on the barcode are correct, before they start the exam;
- fill in the details on the front of the question paper;
- read the instructions on the front of the question paper;
- write in blue or black ink or ballpoint pen, do not use gel pens;
- only use pencil for drawing diagrams or graphs;
- begin and how much time they have to complete the exam.

2.5 Completing the attendance register(s)

- 2.5.1 The Invigilation Certificate is the attendance register. It is a key part of the process of identifying candidates present in the exam room. Centres must complete the attendance register and record absent candidates accurately. Failure to do so may affect City & Guilds' ability to deliver accurate and timely results.
- 2.5.2 Each attendance register **must** be completed before the end of the exam. This will ensure that a check can be made as the scripts are collected.
- 2.5.3 The invigilator **must** accurately complete each attendance register in line with City & Guilds' instructions, clearly indicating those candidates who are either present or absent.
- 2.5.4 Additional candidates **cannot** be added to the attendance register and **must not** sit the exam.
- 2.5.5 The centre **must** keep a copy of the attendance register for six months after the exam date (unless there are any outstanding appeals, malpractice investigations or other results enquiries, in which case the centre must retain the attendance register until they are concluded).

2.6 Finishing the examination

- 2.6.1 A **five minute warning** can be given to candidates. Where candidates have different finishing times the centre **must** consider the potential impact on them.
- 2.6.2 At the end of the exam invigilators **must**:
- tell candidates the exam has finished;
 - tell candidates to stop working and remind them that they are still under exam conditions;
 - allow any candidates who arrived late, and were allowed the full working time to do their exam, to continue after the normal finishing time. Tell them to stop working after the time allowed for their exam has passed;
 - instruct candidates to:
 - make sure they have put all the necessary information on their script and any additional answer sheets, e.g. candidate name, candidate enrolment number, centre number;
 - make sure their answers are correctly numbered;
 - make sure they have put any loose additional answer sheets inside the script. Additional answer sheets must be stapled to the back of the candidate's script.
- 2.6.3 Candidates granted extra time and/or supervised rest breaks should carry on for the necessary additional time.

Collecting scripts after the examination

- 2.6.4 Invigilators **must**:
- collect all the scripts before candidates are allowed to leave the exam room;
 - check that there is a script for every candidate marked as present on the attendance register;
 - check that the names on the scripts match the details on each attendance register;
 - put the scripts in the order shown on each attendance register;
 - check that candidates have fully completed the front page of their script and used their correct centre and candidate enrolment numbers;
 - check the candidate barcode label matches the candidate name;

- ensure that all scripts are securely given to the person responsible for despatching them for marking.

2.6.5 Centres must ensure that scripts are kept secure at all times until they are despatched for marking.

2.6.6 When checking that the candidate and centre information on the script matches the details on the attendance register, if the invigilator identifies that the wrong barcode is attached, they should correct this error.

In such a situation the correction should be counter-signed on the script. Centres **must not** alter any other details on the candidate's script.

Scripts are confidential between each candidate and City & Guilds. No-one may read or photocopy them before they are sent for marking, under any circumstances.

Unused question papers

2.6.7 The invigilator **must**:

- collect all unused question papers in the exam room;
- check it for any loose sheets which candidates may have missed;
- return them to the exams officer.

2.7 Packing and sending scripts

2.7.1 When packing scripts and exam materials for return to City & Guilds, centres **must**:

- ensure that the correct barcodes are stuck correctly on the front of each candidate's script. In some cases, a separate barcode is required for each section of the script;
- ensure that every script from the exam has been included;
- enclose the relevant attendance register(s);
- ensure that scripts are in the same order as candidates appear on the attendance register;
- check the attendance register has been completed, even where when all candidates are marked absent;
- check all scripts and unused question papers are included with the correct attendance register;
- ensure cover sheets accompany scripts where appropriate, for example where a candidate has used a scribe, the cover sheet **must** be placed inside the script;
- use the pre-addressed labels. Ensure the correct label is used for each component and that the most up to date label is always used – do not use photocopied labels;
- always use only one label per package;
- always use the whole address label, stick it securely to the largest face of the package and ensure it is flat and crease free, the address label **must** be visible and legible;
- fasten envelopes securely, but do not use staples, string or brown tape.

A separate return envelope and address label will be provided for each separate pack of question papers and attendance register.

2.7.2 Centres **must not**:

- include anything other than the scripts, the attendance register(s), any unused question papers and source documents;
- overfill packages as they may split open during transit;
- write on labels or alter them in any way.

2.7.3 Centres **must not** retain copies of any question papers, candidates' scripts or other secure assessment materials. Question papers may only be photocopied as described in 1.5.13, question papers **must not** be copied under any other circumstances. Centres **must not** make copies of candidates' scripts.

Sending scripts

2.7.4 Centres **must**:

- despatch scripts, unused question papers and accompanying attendance registers, to the address provided, on the same day of the exam wherever possible;
- ensure that any scripts that cannot be despatched on the day of the exam are despatched **no later than the next working day**;
- retain scripts in the centre's secure storage facility if kept within the centre overnight.

2.7.5 Centres **must**:

- use recorded, trackable delivery;
- obtain proof of postage/despatch for each pack of scripts, which **must** be retained on the centre's files until the results are published, in case of loss or damage.

Unused assessment materials

2.7.6 Any unused question papers and all source materials **must** be returned to City & Guilds at the address provided on the attendance register with the scripts.

2.7.7 Unused question papers **must not** be used as practice material or as a teaching/learning resource under any circumstances.

3 e-volve specific information

3.1 Exam location and resources

- 3.1.1 Centres must ensure that they have suitable exam rooms available to ensure that candidates can sit exams securely and undisturbed. These locations must meet the following requirements.
- 3.1.2 Centres must ensure that no candidate can see another candidate's work, utilising at least one of the following methods:
- Ensuring each workstation is at least 1.25m apart (measured from the nearest outer edge of one screen to the next).
 - Ensuring monitors are positioned back to back, separated by dividers or protected by privacy screens.
 - Candidates sitting the same exam component are sat at alternate computers (eg a candidate entered for Level 2 sitting in between two candidates entered for Level 1).
- 3.1.3 Centres must ensure that all computers meet the minimum technical requirements to run the e-volve exams. Please refer to www.cityandguilds.com/evolve for more information.

3.2 Starting the exam

- 3.2.1 The invigilator **must** ensure that the correct e-volve keycode is issued to each candidate. The candidate is responsible for checking that the title of the exam and their details are correct. If the information presented to the candidate is incorrect, they must notify the invigilator before starting the exam.
- 3.2.2 If a candidate sits an exam in another candidate's name (whether or not it is intentional), this may constitute malpractice and these results may be invalidated.
- 3.2.3 Invigilators **must** ensure candidates have been given the correct e-volve keycode.
- 3.2.4 Invigilators **must** tell the candidates to:
- hand in any unauthorised equipment if they have not already done so;
 - check the title and candidate name are correct, before they start the exam;
 - ask if they need any scrap paper.

3.3 During the exam

- 3.3.1 Candidates are permitted to leave the room temporarily (for example to use the toilet) on the condition that they are accompanied by an invigilator. Candidates are not permitted access to any previously confiscated unauthorised equipment during these breaks.

The exam can be paused while the candidate is out of the room and then restarted when they return. For more information on **pausing exams**, please refer to www.cityandguilds.com/evolve.

- 3.3.2 Candidates can be provided scrap paper when the exam is sat, but **must not** bring their own paper into the room.
- 3.3.3 The e-volve system locks down all other software applications whilst the exam is taking place, this prevents candidates from being able to access the internet or any other inappropriate aids on the computer.

3.3.4 Invigilators **must not**:

- view the screen when a candidate is taking the exam;
- photograph or otherwise copy the content of the exam.

Emergencies

3.3.5 If emergency evacuation is necessary, the exam should be paused while candidates are out of the room and then restarted when they return.

Technical issues

3.3.6 Where technical issues occur during exams, centres should refer to the **e-volve Centre User guide** for further information. If they cannot resolve technical issues using the guide, they should call the e-volve customer services team directly on 0844 543 0000.

Where there are technical issues, the exam can be paused where possible and re-started if/when the issue is resolved.

3.4 End of the exam

3.4.1 All exams **must** be uploaded to City & Guilds. If an exam is not uploaded, it will not be marked and the candidate will not receive a result.

3.4.2 Downloaded exams **must** be uploaded within 30 calendar days of the date of the exam booking.

If the centre no longer holds the computer used for testing and is unable upload the exam, the exam will not be marked and the candidate will not receive a result. For this reason, exams should be uploaded as soon as possible.

3.4.3 Any scrap paper used by candidates during the exam **must** be collected by the invigilator and securely destroyed. Candidates may not take any notes out of the exam room at the end of the exam.

3.4.4 Centres **must not** retain any material produced by a candidate during e-volve exams.

4 Subject specific information

4.1 Mathematics

4.1.1 The mathematics exam, at both Level 1 and Level 2, is split into two sections:

- *Section 1* is the non-calculator section;
- *Section 2* is the calculator section.

4.1.2 Both sections of the exam **must** be completed in a single sitting.

4.1.3 The duration for each section is given on the front of each question paper.

4.1.4 Candidates may only have access to a calculator for the 'calculator permitted' section of the exam, *Section 2*.

4.1.5 A calculator is **not** permitted in the non-calculator section of the exam, *Section 1*.

4.1.6 Protractors are not permitted for mathematics Level 2 exam.

Paper-based requirements

4.1.7 Before the start of the exam, invigilators **must** check that no candidates have a calculator on their desk (calculators may be placed on the floor, beneath the candidate's desk while the candidate completes the non-calculator section).

4.1.8 Both question papers will be supplied in the same pack, with two identical barcodes for each candidate, one barcode for each section of the exam. The barcodes must be stuck correctly to each question paper, failure to do so may affect the timely marking and issuing of results.

4.1.9 For larger cohorts, centres may open the pack(s) of question papers two hours before the exam, in order to attach the barcodes. Prior approval from City & Guilds is not required for this arrangement.

4.1.10 The invigilator must make sure candidates sit the version of the question paper allocated to them and the same version for each section for the exam. If a candidate sits the incorrect question paper, for either section of the exam, City & Guilds may not be able to mark the scripts or issue the results.

4.1.11 Invigilators **must** tell the candidates:

- to complete the front page of the question paper booklets before the exam starts;
- not to use a calculator for *Section 1*;
- that any candidate in possession of a calculator during *Section 1* will be reported to City & Guilds.

4.1.12 The invigilator **must** collect in a candidate's *Section 1* booklet before that candidate can use a calculator.

4.1.13 Candidates **must not** have access to a calculator during *Section 1*. If a calculator is seen on a candidate's desk while they are still in possession of *Section 1*, this **must** be reported to City & Guilds as suspected malpractice, even if the invigilator has not seen the candidate using the calculator.

- 4.1.14 Centres can choose one of two following methods to ensure candidates do not have access to calculators during *Section 1*, but can use a calculator during *Section 2*:
- candidates can place their calculators on the floor under their desk during, *Section 1*; or
 - invigilators can hand out calculators when collecting *Section 1*.
- 4.1.15 A scientific calculator is **not** required for either level 1 or 2.

e-volve requirements

- 4.1.16 Candidates **must** use the on-screen calculator. Candidates cannot bring their own calculator.

4.2 Reading

- 4.2.1 Dictionaries are permitted. For information on using bilingual dictionaries, please refer to the access arrangements page on the City & Guilds website.

Access arrangements

- 4.2.2 A human reader cannot be used under any circumstances.
- 4.2.3 A computer reader can be used. Please contact policy@cityandguilds.com for more information.

4.3 Writing

- 4.3.1 Dictionaries, including bilingual dictionaries, are **not** permitted.
- 4.3.2 Spelling and grammar checking software or tools are **not** permitted.

Access arrangements

- 4.3.3 A scribe cannot be used under any circumstances.
- 4.3.4 Candidates can type their answers, but **must not** use spellcheck, grammar check or predictive text.

5 Centre monitoring

5.1 Overview of the centre monitoring process

- 5.1.1 All centres must be approved before they can offer Functional Skills English and mathematics. As part of the qualification approval process, centres will need to agree to the requirements of this document and provide a list of all assessment sites.
- 5.1.2 The centre will need to provide details for a **'Functional Skills Exams Lead'** (please refer to the Glossary for the definition of this role), who will act as the main contact for the administration of Functional Skills exams at that centre.
- 5.1.3 Details of any further additional assessment sites must be provided using the Centre Update (CU) form, submitted using the Walled Garden Quality Portal (see [City & Guilds Centre Manual](#) for more information on this process).
- 5.1.4 The centre must complete internal audits on their exam procedures, each year. This must include observing an exam taking place.
- 5.1.5 City & Guilds will also monitor that all unused question papers have been returned and the reasons given for changes to exam dates.
- 5.1.6 Failure of any centre to meet the requirements listed in this document may affect their approval. On-going compliance will be monitored through Exam Audits.

5.2 Overview of Exam Audit process

- 5.2.1 An Exam Audit is a visit to a centre in order to check that the centre's exam processes, procedures and practice are in line with City & Guilds requirements, as outlined in this document. Exam Audits involve observing an exam taking place. A copy of the Exam Audit report will be made available to the centre within 10 working days.

5.3 Possible outcomes of an Exam Audit

- 5.3.1 If there are any issues discovered during an Exam Audit, the centre will be set an action plan to address them. If the issues are serious and there is a risk to the integrity or security of the exam, City & Guilds may choose to investigate further and decide to:
- invalidate candidates' results;
 - raise the centre's risk level.
- 5.3.2 The impact of each risk level is outlined below:

Risk level	Outcome
Low	None
Medium	Warning, if action plan is not met, further action may be taken
High	Registrations and exam entries cannot be made for that qualification

- 5.3.3 A 'high' risk level can be set as a result of:
- one high level non-compliance; or
 - five or more medium level non-compliances.

Exam Audit criteria are listed in Section 5.4.

5.3.4 If actions are not completed on time, this may also result in the risk level being increased.

5.4 Exam Audit criteria

Additional guidance on choosing an invigilator

The invigilation requirements for the reformed Functional Skills (4748) qualifications are different from those for the legacy Functional Skills qualifications (3748).

The invigilation requirements for the reformed Functional Skills (4748) qualifications are:

- A **tutor** for the **subject being examined** must not be an invigilator for any exam.
- Relatives, friends and/or peers of candidates must not be an invigilator for any exam.

Role of a tutor

We define a **tutor** as the person who has prepared the candidates for the Functional Skills exam. Tutors might also be described as assessors, lecturers, supervisors, teachers and trainers.

Anyone familiar with the Functional Skills subject content and the assessment specification, who uses these to prepare learners for exams, would be classed as a tutor. This will include anyone involved in the following activities:

- preparing and delivering Functional Skills learning;
- conducting formative assessment, including the use of Functional Skills sample tests;
- providing feedback on progress;
- providing guidance on how to attempt questions in the Functional Skills exams;
- making decisions about a candidate's readiness for Functional Skills exams
- internal quality assurance for Functional Skills qualifications.

The 'subject being examined'

This means:

- a tutor of Functional Skills English must not invigilate Functional Skills English exams;
- a tutor of Functional Skills Mathematics must not invigilate Functional Skills Mathematics exams.

Staff with combined roles

Staff who have combined vocational and Functional Skills tutor roles **must not invigilate** where their tutor role contains the activities described above. Please note that:

- Staff who act as both mathematics and English tutors, **must not invigilate** either maths or English exams.
- Staff who teach GCSE English, but not Functional Skills English, **may** invigilate.
- Staff who teach GCSE Mathematics, but not Functional Skills Mathematics, **may** invigilate.
- Staff who teach ESOL, but do not teach Functional Skills English **may** invigilate.

Supporting staff

Many learning programmes incorporate the development of maths and English skills. Some staff are involved in the teaching and learning process, but are not directly engaged in delivering content for, or preparing learners directly for, Functional Skills exams.

The following staff **may invigilate**:

- Staff who solely carry out initial and diagnostic assessments.
- Staff who direct learners to online/e-learning programmes, who set up online/e-learning programmes for learners, and/or support learners to access e-learning.
- Vocational staff who incorporate maths and English into lessons where they occur in their vocational programmes, but are not responsible for preparing learners for Functional Skills exams.
- Staff who administer Functional Skills exams.

The following staff **must not** invigilate:

- Staff who directly support candidates working towards Functional Skills exams, even if not the candidates' main Functional Skills tutor.
- Staff supporting candidates using online/e-learning programmes, where these include Functional Skills exam preparation.

Learning support

Candidates with individual support during learning can have support from the same person during their exams, providing they meet the requirements set out in our access arrangements documents and our Instructions for Conducting Examinations document.

Checklist for invigilators

Paper-based exams

This list summarises the essential actions for invigilators.

A Arranging the exam room

- 1 Check that you have the following on display:
 - a clock that all candidates can see clearly;
 - a board showing the centre number, and start/finish time of the exam(s).
- 2 Check that you have a seating plan for the exam.
- 3 Check in advance with the exams officer which candidates, if any, have access arrangements.

B Before the exam begins

- 1 Attach the candidate barcodes to the front of the correct question paper.
- 2 Check the front of the question paper for details of required/ permitted materials.
- 3 Tell candidates that they must now follow the regulations of the exam.
- 4 Warn candidates that they must give you any unauthorised materials, including mobile phones.
- 5 Open the pack(s) of question papers in the exam room.
- 6 Tell the candidates:
 - to fill in the details on the front of the question paper;
 - check the barcode on the front of the question paper;
 - to read the instructions on the front of the question paper.
- 7 Remind candidates to write in blue or black ink or ballpoint pen.
- 8 Tell candidates when they may begin and how much time they have.

C During the exam

- 1 Supervise the candidates at all times to prevent cheating and distractions.
