RECOGNITION LIST

MOTOR VEHICLE ENGINEERING
VEHICLE MAINTENANCE AND REPAIR
MOTOR VEHICLE ENGINEERING
VEHICLE MAINTENANCE AND REPAIR

Organisations featured in this document only are some of the many prestigious institutions and employers that recognise the following International Vocational Qualifications (IVQs), as shown in their individual statement:

Motor Vehicle Engineering (3905)
- Level 1 IVQ Certificate in Motor Vehicle Systems
- Level 2 IVQ Diploma in Motor Vehicle Systems
- Level 3 IVQ Advanced Diploma in Diagnostic Techniques
- Level 2 IVQ Technician Certificate in Motor Vehicle Systems
- Level 3 IVQ Technician Diploma in Motor Vehicle Systems
- Level 3 IVQ Advanced Technician Diploma in Diagnostic Techniques
- Level 5 IVQ Advanced Technician Diploma in Motor Vehicle Engineering
- Level 5 IVQ Advanced Technician Diploma in Motor Vehicle Management

Vehicle Maintenance and Repair (4101)
- Level 1 IVQ (Specialist) Certificate in Vehicle Maintenance and Repair
- Level 1 IVQ (Specialist) Certificate in Vehicle Maintenance and Repair (Vehicle Valeting)
- Level 2 IVQ (Specialist) Diploma in Vehicle Maintenance and Repair
- Level 3 IVQ (Specialist) Advanced Diploma in Vehicle Maintenance and Repair

Key

Recognised levels (if applicable)

1. IVQ Certificate (3905)
2. IVQ Technician Certificate/IVQ Diploma (3905)
3. IVQ Technician Diploma/IVQ Advanced Diploma (3905)
4. IVQ Advanced Technician Diploma (3905)
5. IVQ (Specialist) Certificate (4101)
6. IVQ (Specialist) Diploma (4101)
7. IVQ (Specialist) Advanced Diploma (4101)

How employers view City & Guilds international qualifications

- Having a City & Guilds qualification enhances one's career prospects
- City & Guilds qualifications are an excellent recruitment benchmark for the industry
- City & Guilds qualifications are an excellent training solution for employers
- Outstanding learners for a relevant City & Guilds qualification will be considered for a placement
- Applications are welcome from City & Guilds graduates seeking work within the sector
- Priority will be given to applicants with a City & Guilds qualification when recruiting

Illustrations used throughout this publication are representative of the people and industries City & Guilds help and support. Persons shown may be unrelated to the statements or endorsements on the same or adjoining pages.
Recognitions featured in this section are examples of how City & Guilds IVQs in Motor Vehicle Engineering and Vehicle Maintenance and Repair are recognised within national qualifications frameworks or accepted by government agencies and other regulatory authorities.
GOVERNMENT RECOGNITIONS

England

Office of the Qualifications and Examinations Regulator (Ofqual)
www.accreditedqualifications.org.uk

The IVQs in Motor Vehicle Engineering and the IVQs in Vehicle Maintenance and Repair are accredited on the National Qualifications Framework of England, Wales and Northern Ireland (NQF).

The level in the qualification title shows the NQF level that each qualification is accredited at.

The qualification number is the qualification accreditation number.

Ofqual is the regulator of qualifications, examinations and assessments in England and of vocational qualifications in Northern Ireland. Ofqual approves and distributes the criteria that qualifications must meet in order to be accredited on the NQF or Framework Qualifications and check that the qualifications and the bodies that award them meet these criteria.

NQF status can only be claimed by duly accredited MerSETA training providers.

The South African Qualifications Authority (SAQA) is a statutory body established through an Act of Parliament. SAQA is the custodian of the South African National Qualifications Framework (NQF) and oversees the further development and implementation of the NQF.
‘DIMO Automobile Training Schools offers students an unrivalled opportunity to gain the acclaimed City & Guilds certification in automobile engineering.

The School fosters the perfect environment for budding motor enthusiast to start off their career geared with state-of-the-art tools and equipment from Germany, including Mercedes-Benz automobiles for hands-on training.

The School is the training arm of DIMO Automobile which acts as the agent in Sri Lanka for global brands including Mercedes Benz, Tata, Chrysler and Jeep.’

GOVERNMENT RECOGNITIONS

Trinidad and Tobago

Accreditations Council of Trinidad and Tobago (ACTT)
www.actt.org.tt

Zambia

Technical Education, Vocational and Entrepreneurship Training Authority (TEVETA)
www.teveta.org.zm

The IVQs in Motor Vehicle Engineering have been recognised by TEVETA at the following levels of the TEVET Qualifications Framework (TQF):

- TQF level 3, Certificate
- TQF level 3, Certificate
- TQF level 3, Certificate
- TQF Level 3, Skills Award

TEVETA is responsible for registering all technical, entrepreneurial and vocational training programmes offered in the country, the providers that offer them and the examinations these programmes lead to.
Institutions featured in this section are examples of universities and colleges which have recognised appropriate level(s) of the IVQs in Motor Vehicle Engineering for admission to the relevant degree or degree-linked programmes, with the possibility of exemptions where applicable, as shown in each individual entry.

Levels shown indicate the levels accepted as minimum requirements. Recognition and successful completion of the recognised level(s) do not guarantee admission and each application will be considered on an individual basis.

Applicants will need to meet all other academic and non-academic entry requirements, including the English language proficiency set by the recognising institution.
HIGHER EDUCATION RECOGNITIONS

United Kingdom

Durham University
www.dur.ac.uk

The University welcomes applications from holders of a Technician Diploma or Advanced Technician Diploma. All such applicants will be treated on an individual basis, and considered on the merit, not only for entry itself, but also for any form of accreditation of prior learning or Advanced Standing which might be appropriate. All Engineering programmes require evidence of performance in Maths to the equivalent of at least grade B at A level.

Durham University is one of the UK top universities and the third oldest in England, behind Cambridge and Oxford. There are around 15,000 students, including over 3000 international students from more than 120 countries.

Durham is consistently ranked amongst the leading universities in the world and recognised for having world-class research in every single area of assessment across the sciences, social sciences and humanities. The University’s MBA programme was ranked at eighth position in the UK and 53rd in the world, by the Economist.

Entrance requirements are among the highest in Britain, but the dropout rate of less than 3 per cent is also among the lowest in any university. The city is picturesque and students who are lucky enough to secure a place at the University live and study in the midst of a world heritage site. University College, also known as the ‘Castle’, was founded in 1832 and is the oldest university building in the world. Durham is a centre of sporting excellence and has outstanding sport facilities. About 90% of the students play sport regularly.

Sheffield Hallam University
www.shu.ac.uk

Holders of the Advanced Technician Diploma will be considered for entry with advanced standing, that is to the second and third levels of the appropriate degrees.

Holders of the Technician Diploma will be considered for entry to the first year of appropriate degree programmes.

Sheffield Hallam University is one of the UK’s largest and most innovative universities, the biggest provider of health and social care and teacher training. Sheffield Hallam has 30,000 students, including 3000 international students from 120 countries. The University has particularly strong links across Europe and Asia.

and Repair
10 higher education.02
United Kingdom (continued)

Sheffield Hallam is one of the UK’s largest providers of sandwich courses and four-year degrees which include a paid work placement. The University has build close relationship with leading global companies and its partners include Sony, BP, Cisco, SAP and Microsoft. Sheffield is one of the country’s most in-demand student destinations and is only thirty minutes drive away from the beautiful Peak District National Park.

China, Macau

Macau Institute of Management
www.mma.org.mo

Holders of an Advanced Technician Diploma (3905) or Advanced Diploma (3905/4101) wishing to pursue further study with the Macau Institute of Management in the Bachelor of Business Administration programme (Chinese BBA) will be given a 40% block exemption.

Further exemptions may be granted, and all applications will be dealt with on an individual basis.

Macau Institute of Management (MIM) is the academic arm of the Macau Management Association, a registered and recognised higher education institution in Macau.

Established in 1988, the Institute has been playing a key role in the training of management executives in Macau. MIM offers a wide range of academic programmes, leading to qualifications recognised by the Macau SAR Government.

Jamaica

University of Technology, Jamaica
www.utechjamaica.edu.jm

The University welcomes applications from holders of an Advanced Technician Diploma or Technician Diploma.

Each student will be assessed on an individual basis and given credit for equivalent work completed.

The University of Technology, Jamaica (UTech) is the second largest university in Jamaica, offering over 100 programmes to 11,000 students.

Key
Recognised levels

HIGHER EDUCATION RECOGNITIONS

Sri Lanka

Colombo International Nautical & Engineering College (CINEC)
On behalf of the University of South Australia (UniSA)
www.cinec.edu
www.unisa.edu.au

1. The Advanced Technician Diploma will be accepted as entry qualification for admission to the second year of the Bachelor of Engineering (OBIF) programme of the University of South Australia.

2. The Technician Certificate will be accepted as entry qualification for admission to the Foundation Programme.

3. The Technician Diploma will be accepted as entry qualification admission to the first year of the Bachelor of Engineering (OBIF) programme of the University of South Australia.

Colombo International Nautical & Engineering College (CINEC) is Sri Lanka’s largest private higher education institution offering over 175 training programmes to 14,000 students.

The Maleba campus of CINEC manages the Bachelor of Engineering (OBIF) programme of the University of South Australia (UniSA).

Students study the first years of the four-year programme at CINEC and transfer to UniSA for the next two years. Each programme consists of two semesters per year of study and the duration of the semesters is of such that the four semesters can be completed within 18 months, saving students time and money.

UniSA is one of the largest, fastest growing and innovative universities in Australia. The University is part of the influential Australian Technology Network (ATN), an alliance of five prominent universities from each mainland state, and is ranked among the top 200 universities in the world.
Organisations featured in this section are examples of leading corporates and employer associations/groups which have recognised the IVQs in Motor Vehicle Engineering and the IVQs in Vehicle Maintenance and Repair for their quality and relevance to the industry.
INDUSTRY RECOGNITIONS

Shanghai Automotive Industry Corporation (Group) (SAIC) is one of the top three automotive corporations in China, employing 60,000 workers. The company is mainly engaged in the manufacturing and sales of passenger and commercial vehicles and components and related services.

SAIC is the leading manufacturer of passenger vehicles in China and was ranked 359 in the Fortune Global 500 list in 2009. The company produces its own branded products as well as those included in its strategic partnership with General Motors (Shanghai GM) and with the Volkswagen Group (Shanghai Volkswagen Automotive). SAIC also holds 10% equity shares of GM Daewoo.

The company has established its own production bases across China and set up branches in the US, Europe, Hong Kong, Japan and Korea.

Sime Darby Industrial Academy, part of Sime Darby, offers market-driven technical and management training programmes for its staff, the public and corporate customers.

The Academy has been successfully trained thousands of Malaysian youths and school leavers for employment in various industries in Malaysia, covering the fields of constructions, infrastructures, quarries, logging, mining, power generation and marine.

Sime Darby is a Malaysia-based multinational company with core businesses in plantation, property, motors, industrial, energy and utilities and a growing presence in China and healthcare. The company’s operations span across 20 countries and is supported by a team of over 100,000 people worldwide.

Some of the famous brands represented by Sime Darby include BMW, Rolls-Royce, MINI, Peugeot, Ford, Land Rover, Hyundai and Mitsubishi (for passenger cars); Nissan, Renault, Mack, Hino and Mitsubishi Fuso (for trucks and commercial vehicles) and Caterpillar (for heavy equipment).

Toyota Jamaic Limited (TJAM) is a company with Toyota Tsusho Corporation of Japan having majority share holdings. TJL is the sole authorised distributor for Toyota Motor Corporation of Japan and Daihatsu Motor Corporation.

Toyota Motor Corporation (TMC) is one of the world’s major producers of passenger cars. The company is the world’s largest automaker by sales and owns the Lexus and Scion brands. TMC has a majority shareholding stake in Daihatsu and Hino Motors, and has also taken minority stakes in Fuji Heavy Industries (Subaru) and Isuzu Motors.

TMC operates 75 manufacturing companies across 28 countries, markets vehicles in more than 170 countries and has a workforce of 320,000 employees.
EUROPASS

Europass Certificate Supplement
www.cityandguilds.com/europass
www.uknec.org.uk
europass.cedefop.eu.int

Each level of the IVQs in Motor Vehicle Engineering (3905/8905) and the IVQs in Vehicle Maintenance and Repair (4101) is supported by a Europass Certificate Supplement.

The Certificate Supplement helps to ensure that qualifications are easily understood across national systems and makes it easier for learners to find employment or training opportunities beyond the borders of their own country.

It provides details on the skills that candidates are required to demonstrate in order to achieve a City & Guilds certificate, helps learners to prepare for job interviews and allows employers to choose the best candidate to work for their organisation.

City & Guilds was the first UK awarding body to launch the Europass Certificate Supplement and still the only one offering it across its qualification portfolio.
Every effort has been made to ensure that the information contained in this publication is true and correct at time of going to press. However, City & Guilds’ products and services are subject to continuous development and improvement and the right is reserved to change products and services from time to time. City & Guilds cannot accept responsibility for any loss or damage arising from the use of information in this publication.
