Qualification aim	Qualification levels and definition	Progression routes
To provide learners with the opportunity to prove that they can do their job at a high standard in the workplace and progress from their first workshop repair job to a role where they supervise a team of people in a small family-run operation, a main dealer or even one of the largest manufacturers.	<p>Level 2 suits learners who are working in the automotive industry and have some relevant knowledge and skills, usually from a role where they are supervised.</p> <p>Level 3 suits experienced workers who have a great deal of technical skills and knowledge, work with minimum supervision and have a good record of safety and ensuring work meets the required standard.</p>	On completion of these qualifications learners can go on to gain various roles such as: Light Vehicle Service Technician (Level 2) Light Vehicle Diagnostic Technician (Level 3) In addition, learners can progress on to our Level 4 Certificate in Advanced Automotive Diagnostic Techniques (4121) to become a Master Technician or enrol on at one of our Institute of Leadership and Management qualifications.

	Key features	Key benefits
<b>Structure</b>	Learners must complete a range of mandatory and optional units, including: routine vehicle maintenance, removal and replacement of vehicle units and diagnosis and rectification of vehicle faults.	Our range of optional units allows you to tailor content to suit learners' individual needs, whilst meeting the occupational requirements of the industry.
<b>Assessment</b>	Assessment is via observation and portfolio of evidence. For some units you may also have to complete an on-demand online knowledge test which is available through the City & Guilds e-assessment platform e-evolve.	e-evolve is designed to cut the time spent marking and reduces your paperwork. The on-demand assessment is flexible and improves success rates as candidates only complete when they are ready.
<b>Support</b>	Our support resources include: a free Qualification Handbook, online tutor and learner support via SmartScreen, our e-portfolio Learning Assistant and personal support, Exam Success book, QuizCity Smartphone app, and Network Events.	<p>SmartScreen helps tutors save time planning and supports learners in order to drive greater quality and better success rates.</p> <p>Learning Assistant helps save time and money by increasing learners' completion rates by up to 40% over paper delivery.</p> <p>Personal support is available from subject specific Quality Consultants and Portfolio Advisor, our Customer Relations Team and dedicated Business Managers.</p> <p>Exam Success and QuizCity Apps to ensure learners take the online tests successfully.</p>
