501/0288/6 Level 2 Diploma in Motorcycle Maintenance and Repair Principles

• What does this qualification cover?

This qualification is for you if you are aged 16 years old or over and would like to know how to service and maintain motorcycles.

Although you may already have some previous training or practical experience, it is not necessary to hold any previous qualifications or being in a current work placement to take this qualification.

• What does this qualification cover?

The key skills you will have acquired upon achievement of this qualification are:

- servicing vehicles – carrying out checks and maintenance according to the manufacturers' guidelines
- repairing and replacing faulty parts and components
- advising customers on necessary repairs
- producing time and cost estimates
- maintaining repair and service records.

Other non-technical but essential skills also include: how to maintain good working relationships with colleagues and customers in the automotive work environment by using effective communication and support.

Colleges and training centres may work with local employers who will contribute to the knowledge and delivery of training. This practical training is ideal preparation for training on the job or specialist further study.

Will the qualification lead to employment, and if so, in which job role and at what level?

This qualification will prepare you to become a motorcycle service technician and work at an independent garage, a large manufacturer or even in your own business.

• Will the qualification lead to further learning?

You will be able to take an Intermediate Apprenticeship in Vehicle Maintenance and Repair – Motorcycle or continue learning with the Level 3 Diploma in Motorcycle Maintenance and Repair Principles (501/0021/X)

You will also be able to develop further your leadership and management skills by taking a higher level qualification through the Institute of Leadership and Management (ILM).
