Dear Patricia

**IMI SUPPORT FOR CITY AND GUILDS QUALIFICATION IN DEPARTMENT FOR EDUCATION
PERFORMANCE TABLES**

Established in 1920, The Institute of the Motor Industry (IMI) is the professional association and membership organisation for the automotive retail sector, representing both members and employers in the sector.

We provide our support, as a professional association within the Automotive Retail sector to City and Guilds for the inclusion of the following qualification for the Department for Education's 2016 School and College Performance Tables as a Technical Level qualification.

City & Guilds Level 3 Diploma in Light Vehicle Maintenance and Repair Principles (501/0019/1)

We feel the qualification is suitable for a young person between the ages of 16-19 studying full time and believe it will give that learner an advantage when applying for a job or progressing onto an Advanced Apprenticeship in Automotive Retail.

If you require any further information please do not hesitate to contact me.

Yours sincerely

Lesley Woolley MIMI
Head of Professional Development
