600/1215/8 Level 3 Diploma In Vehicle Fitting Supervisory Principles

OVERVIEW

- What does this qualification cover?

This qualification is for learners looking to develop advanced level skills and knowledge in supervising repairs to or replacement of worn or damaged tyres, exhausts, batteries and parts.

The key skills learners will have acquired upon achievement of this qualification are:

- Supporting team members in dealing with day-to-day tasks
- Testing batteries and other engine parts to find faults
- Checking tyres and exhausts for defects
- Replacing or repairing faulty parts
- Balancing and re-aligning wheels
- Offering customers advice on simple maintenance issues
- Checking completed repairs and replacements.

Other non-technical but essential skills include developing others and advising customers about the required repairs as well as keeping maintaining and repair records.

This is a framework qualification.

- Who could take this qualification?

Learners are likely to hold a level 2 Diploma in Vehicle Fitting/Specialist Tyre Fitting Principles or equivalent qualification and/or previous practical experience within the industry.

Learners will usually take this qualification at a college where they will have access to facilities, equipment and tools that will allow them to gain the skills and knowledge required to progress into further education and training or an advanced level apprenticeship.

WHAT COULD THIS QUALIFICATION LEAD TO?

Candidates who are successful will have the following progression opportunities available:

- Further training: by moving into the Level 4 Diploma in Advanced Vehicle Diagnostics and Management Principles (601/1221/9) or a Level 4 Management qualification through the Institute of Leadership and Management (ILM).
- Into employment – by taking up an Advanced Apprenticeship in Vehicle Fitting to become a Fast Fit Supervisor.

WHO SUPPORTS THIS QUALIFICATION?

The following providers support this qualification as it allows learners to work to their own ability and show progression to the next level within the industry nationally:

- City College – Brighton and Hove
- Doncaster College
- Paragon
- SWP Training.
