600/4879/7 Level 1 in Vehicle Valeting Principles

OVERVIEW

- What does this qualification cover?

This qualification is aimed at candidates who want to learn, develop and practise the skills required for employment and/or career progression in the motor vehicle car valeting sector.

This qualification covers how to supply a quality cleaning and finishing service for car owners, users and dealers, working with others in a safe environment and delivering excellent customer service.

Other non-technical but essential skills also include how to maintain good working relationships with colleagues and customers in the automotive work environment by using effective communication and support.

This is a framework qualification.

- Who could take this qualification?

Although some learners may already have had some exposure to the motor vehicle industry via previous training or some practical experience, it is not necessary to hold any previous qualifications or being in a current work placement.

Learners will usually take this qualification at a college where they will have access to facilities, equipment and tools that will allow them to gain the skills and knowledge required to progress into further education and training or an intermediate level apprenticeship.

WHAT COULD THIS QUALIFICATION LEAD TO?

Candidates who are successful will be able to progress into further training by continuing learning through a level 2 Vehicle Valeting Principles qualifications.
