

<p>Overview This unit is about being able to carry out demonstrations and instructions in order to pass on skills and knowledge.</p> <p>Specific performance objectives For more information on what the candidate must understand, see the full unit details.</p> <p>Evidence requirements: VCQ (competence) 3 pieces of evidence, this must include 2 observations, 1 of which must cover a demonstration and 1 of which must cover an instruction, or a combination of both. . All evidence should come from the workplace. However, subject to the agreement with the Awarding Organisation External Verifier; some simulated assessment may take place when all other avenues have been exhausted.</p> <p>Evidence requirements: VRQ (skills) 2 pieces of evidence, this must include 1 observations, which covers a combination of demonstration and instruction Evidence can be produced within the centre but must meet current industry practice and standards. Centres may devise their own tasks to cover the learning outcomes and assessment criteria of the unit. The evidence requirements must be as stated above. Centre devised tasks must be made available to the EV for checking.</p> <p>Essential Knowledge will be primarily tested using awarding organisation produced short written tests; further knowledge can be assessed by using oral and/or written questioning. At the end, the assessor must sign this form to confirm that all evidence identified above has been carried out competently by the candidate.</p>	<p>VCQ: At least one demonstration and one instruction must be observed by the assessor in a normal place of work</p>	<p>Obs = observation Wit = witness CA = centre assessment Q = questions</p>	<p>PRN Numbers use boxes as appropriate</p>
