## New City & Guilds' webpage for Scotland

We have launched a new City & Guilds' webpage focused only in Scotland. Please visit the webpage on:

**<https://www.cityandguilds.com/scotland>**

Here you can find information about:

- Scottish Credit and Qualifications Framework
- Our offer in Scotland
- Online teaching and support resources available
- News! What's going on in Scotland
- Events and CPD training

## Issue of new modern apprenticeship frameworks for body and paint

The new MA frameworks for Scotland were approved by the MA group and the new framework versions can be found here on the Skills Development Website:

**<https://www.skillsdevelopmentscotland.co.uk/what-we-do/apprenticeships/modern-apprenticeships/modern-apprenticeship-frameworks/institute-of-the-motor-industry-imi/automotive/>**

If you are currently delivering our Body and Paint qualifications, you will be automatically approved at the same level and with the same claim status as for the current qualifications.

## Changes in the evidence requirements for units 4311-117 and 119

Following feedback from centres about difficulties gaining evidence for units 4311-117 and 119, we have agreed with the sector skills council to amend the evidence requirements and allow the inclusion of simulation for the following units:

4311-117 Level 6 Identify and rectify motor vehicle body misalignment

4311-119 Level 5 Motor vehicle body MIG/MAG welding operations

## Recorded webinar on our automotive digital resources

## New SmartScreen offer for our Hybrid Electric Vehicle qualifications

Safety first!

We are glad to announce the launch of our new SmartScreen offer to support the following qualifications:

(4290-70) Level 2 Award in Hybrid Electric Vehicle Operation and Maintenance

(4290-71) Level 3 Award in Hybrid Electric Vehicle Repair and Replacement

Our SmartScreen offer consists of:

- Interactive and engaging virtual learning modules offering more flexible delivery of demonstrations and practical tasks safely, allowing the learners to learn at their own pace in their own time. The e-learning is automatically marked, allowing tutors to track learner's progress.
- Mapping document of the virtual learning modules to the learning outcomes for each unit, helping tutors to plan lessons and ensure qualification coverage through the incorporation of interactive modules.

Making learning fun!

### **Tell us what you think**

*All About Automotive* is a newsletter that brings together all of the key developments from City & Guilds relevant to automotive skills learning across England, Northern Ireland, Scotland and Wales. It contains updates on the range of teaching and learning resources we offer, plus relevant public policy or other information we think you might be interested in.

Each edition is numbered, so we can refer back to previous issues or tell you when information has been superseded.

If there's anything else you'd particularly like us to cover or explain more fully in future issues of *All About*, please feel free to drop us a line to [automotive@cityandguilds.com](mailto:automotive@cityandguilds.com) or visit us at
