Qualification News continued

Addition of level 2 motorcycle optional units into our 4290-11 Level 1 in Vehicle Maintenance.

Following feedback from centres, we have added additional level 2 motorcycle units both in the certificate and diploma qualifications.

Accreditation numbers (QAN) and registration/certification dates remain unchanged.

Automotive unit routes.

Following feedback from centres we have set up new unit routes for the following automotive qualifications: 4270, 4290, 4271, 4291, 4122.

Please note these unit routes are intended for those learners who would like to take only a few units, not the whole qualification. For example, unemployment programmes, up skilling, etc.

If the intention is to achieve the full qualification, please register the learners under the usual qualification number as it will be more cost effective.

Thank you for your continued support.
