Introduction

This document has been prepared by the Chief Examiner and Principal Moderator; it is designed to be used as a feedback tool for centres in order to enhance teaching and preparation for assessment. It is advised that this document is referred to when planning delivery and when preparing candidates for City & Guilds Technical assessments.

This report provides general commentary on candidate performance in both the synoptic assignment and theory exam. It highlights common themes in relation to the technical aspects explored within the assessment, giving areas of strengths and weakness demonstrated by the cohort of candidates who sat assessments in the 2024 academic year. It will explain aspects which caused difficulty and potentially why the difficulties arose.

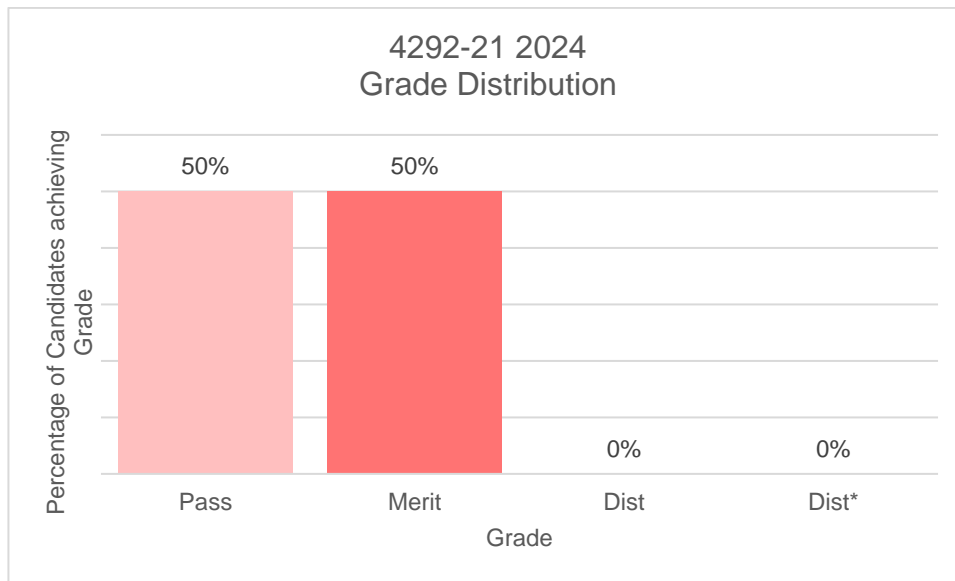

The document provides commentary on the following assessments:

- 4292-522 – Level 2 Technical Certificate in Automotive – Theory exam
 - March 2024 (Spring)
- 4292-023 – Level 2 Technical Certificate in Automotive – Synoptic Assignment

Please note: there were no candidate entries or results for the Summer series for 4292-522 therefore no data is available to provide in this report.
