Dear Darrin

As an employer within the Gaming industry, we feel the following qualification is suitable for someone wanting to progress in this sector. Learners achieving this qualification will ensure they have suitable skills to further their career in this industry.

501/0897/9 Level 2 NVQ Diploma in Gambling Operations (QCF)

This qualification provides the skills and knowledge to gain an understanding of working in this sector. We work with Blackpool and the Fylde College to ensure that learners are ready for industry. Their progression would normally be in gaming either the card room or in the main gaming area and we would take on learners for work experience and assist in the college by providing talks and industry feedback.

On successful completion of this qualification the learner can gain employment as a:

Poker Dealer or Pit Dealer

These are varied roles within the sector giving the learner the opportunity to specialise and transfer their skills across differing areas.

We consent to our name and logo being publicly available on City & Guilds website

Yours sincerely
