Dear Darrin,

We provide our support as a professional industry body within the travel & tourism sector, as we feel the following qualification is suitable for a young person between the ages of 14-19.

We feel the qualification gives a focus on working in the travel industry in various related activities such as travel consultant or resort representative for example. The qualification will give a good grounding of the knowledge of the sector and the requirements to work within it.

Areas they may find suitable employment include becoming a travel agent, working overseas as a resort representative, or working in the back offices of tour operators.

ABTA (The Travel Association) support the inclusion of the:

- Level 2 Diploma in Travel and Tourism 600/6762/7

for the DfE performance tables in the substantial vocational qualification category.

We confirm that we consent to our company name (and logo) being made publicly available on the DfE and City & Guilds website.

Yours Sincerely

Vicki Wolf
