Re- Letter of recognition for City & Guilds qualifications

Dear Jerry

Wales & West Utilities is a regulated gas distribution business with around 35,000 km of gas distribution pipelines covering Wales and the South West of England.

As an employer in the Industry we recognise the following qualifications as being suitable for our current operatives and for someone who wants to work in the many specialist roles within the Gas Network industry. These qualifications are the core of our business requirements.

These are all based upon the National Occupational Standards developed by Industry.

600/1311/4	Level 1 Certificate in Network Construction Operations (Gas)
600/1534/2	Level 2 Diploma in Network Construction Operations (Gas) - Main Layer
600/1535/4	Level 2 Diploma in Network Construction Operations (Gas) - Service Layer
601/2739/9	Level 3 Diploma in Gas Network Construction Operations

These qualifications provide the skills and knowledge required to gain a sound understanding and practical skills for the Gas Network Industry for the following roles:

Gas Main Layer – Self Lay
Gas Main Layer – Distribution
Gas Main Layer - Repair and Maintenance
Gas Service Layer - Self Lay
Gas Service Layer - Distribution
Gas Service Layer - Repair and Maintenance
Craftsperson
Technician
Network Technician
Senior Network Technician
Maintenance Engineer
Network Service Engineer

Wales & West Utilities Limited
Registered Office:
Wales & West House, Spooner Close, Coedkernew, Newport NP10 8FZ
Registered in England and Wales: No. 5046791

We are also keen to develop in conjunction with yourselves and other Gas Networks, a Level 4 Gas Network Operations qualification for our operatives in order to provide a pathway to management.

Yours sincerely

Ian Highton
