

6146-21 Level 2 Excavation Support Systems (Utilities)

- These qualifications are for candidates who work in trenches and excavations whilst laying utilities which require trench support. Could also suit other narrow trench work.

Awards available for:

- Install and Remove Mechanical Support Systems for Excavations.
- Install and Remove Sheet Piling Support Systems for Excavations.
- Install and Remove Board and Skeleton Support Systems for Excavations.
- Install and Remove Support Systems for Medium Excavations.
- These qualifications are for candidates who work in trenches and excavations whilst laying utilities which require trench support. Could also suit other narrow trench work.
- Level 2 awards.
- 10 GLH per award.
- Each unit consists of a single mandatory unit.
- A pre-requisite to medium excavation is one of the support systems awards.
- To offer the qualification centres will need to gain both centre and qualification approval.
- No fast track approval.
- Each award is assessed by a City and Guilds set assignment which is centre marked.
