Last modified 1-June-2026

**From unrivalled technical and personal end-point assessment (EPA) support from our dedicated team to on-programme resources and assessment preparation for EPA – our high-quality support and assessment resources give apprentices the confidence to succeed.**

If you're already a City & Guilds or ILM customer, just search the product codes on Walled Garden. If you have other questions or are a new customer, speak to one of our Business Managers.

When you choose our apprenticeship service for end-point assessment (EPA) in England, you pay a small registration fee upfront, and the end-point assessment fee is paid once results have been submitted. Prices in this document combine the registration fee and end-point assessment fee. VAT may apply depending on your funding status and VAT registration. Please contact us if you're unsure at [customersupport@cityandguilds.com](mailto:customersupport@cityandguilds.com) or 0192 4930 800.
