

A City & Guilds Group Collaboration

EPA price list

When you choose us for your EPA, you pay a small registration fee upfront and the balance once the EPA has taken place and results submitted. Our EPA service does not attract VAT.

The EPA price includes our online EPA preparation tool to boost apprentices' confidence for assessment. We are the first organisation to deliver EPA under the new standards and have many years' experience in synoptic assessments.

If you're already a City & Guilds or ILM customer, just search the product codes on Walled Garden. If you have other questions or are a new customer, speak to one of our Business Managers.

A note about resits

Rules for resits can vary by standard. Some specify that all components of the EPA have to be retaken if an apprentice fails a section, some say only a failed component has to be repeated.

If you're a City & Guilds or ILM centre, prices for resits are on Walled Garden. If you're a new customer, contact apprenticeships@cityandguilds.com to find out more.
